

## 1.0 Preface

Everyone is conscious and understands the need to obtain a visa before visiting the destined country. Visa is an endorsement or a stamp on a passport, indicating that the holder has the necessary permission to enter, leave or stay for a specified period of time in a country. VISA IS A LATIN WORD, MEANING, 'THAT THE PAPER HAS BEEN SEEN'.

To obtain a visa one must have the following:

- A valid passport (Identity)
- Purpose of entry to the country of interest (Eligibility criterion)

The valid passport identifies the nationality of a person, physical feature and his/her details. On the other hand the eligibility criterion of the person to visit the interested country depends upon his/her purpose of visit; the visit can be made by an invitation (Job, Fellowship and Business) or as an asylum seeker (Mercy) or to have fantasy (Travelers' visa).

### 1.1 WHAT IS HOLY VISA?

Holy Visa is an endorsement that God almighty stamps on a soul that lives on the earth to stay eternally in the heaven and this soul will be a privileged one on the new earth (Angels are privileged class in the family of God). In order to apply for the holy visa, one must possess a valid passport and satisfy of course the eligibility criteria. This visa is not for the asylum seekers and also not for those who want to have fantasy; because heaven is a holy place where God lives. It is therefore issued only by invitation. *Let us examine in detail how to get into this invited list of God to receive the invaluable visa of one time chance; there is only one physical life on the earth for every mankind.*

## 1.2 FAITH PASSPORT TO HEAVEN

It is an identification needed for someone, if God almighty has to consider his/her application. God the creator of Earth has recognized it as a potential place to produce sinners after His creations (first family) did not trust on His words. Therefore all the humans are considered sinners (disobedient) from God's perspective; because they do not meet the standards set by Him to get qualified as His children either by birth or through their deeds.

### HOW SHOULD ONE BE IDENTIFIED HIMSELF TO APPLY FOR THIS VISA?

Indeed God has streamlined (standardized) the identity criterion. Everyone must identify himself or herself in Jesus Christ i.e. declare as Christ's child; it means that accepting Christ Jesus as savior, which gives the essential identification (passport) for a sinner to submit his or her application to heaven. God believes that this is the valid passport required to process any application for issuing the **holy visa**; why; because the everlasting covenant has been made by God with His son on this decree more than 2000 years back. Since this decree is made on the blood of Jesus Christ, every soul must be cleansed by His blood in faith to born spiritually as a child to Jesus. **Every Christ's child holds a faith passport because He has given His heavenly address for them.** A passport is not valid without an address proof; the passport of a person which heavens approve needs address proof in heavens. Since we are living on this sinful Earth, we need someone who is in heavens to give his address. That is exactly what our Lord Jesus Christ has been doing for the world of sinners. This is a faithful passport because it is invisible. As soul is intrinsic, this faithful passport is also inbuilt in human.

## 1.3 ELIGIBILITY

The eligibility criteria are:

- Physical witnessing (Faith Passport)
- Spiritual witnessing (Applying Holy Visa)
- Worshiping and serving (Visa clearance)

Physical witnessing is the separation of a person from the sinful world by taking water baptism in the name of God almighty, the Son of God (Jesus Christ) and the Holy Spirit. This is a symbolic qualification of getting cleansed physically because the body has come from the cursed Earth through sinful action (Seed of Adam and seed cover of Eve were

corrupted). The next stage is the anointing by Holy Spirit to show God's approval of the person's eligibility (Spiritual witnessing). However, the visa clearance depends upon how the person does worshipping and serving the God; it means that till the end of physical stay (i.e. person's physical death) on this earth, the person must be truthful to God by honestly put into practice God's word and serve the needy by spreading the good news. The good news is that sinners can enter God's Kingdom after truthful repentance (change of heart). And Jesus concluded, "So those who are last will be first, and those who are first will be last," (MATTHEW 20:16); "Many are invited, but few are chosen," (MATTHEW 20:16).

#### WHAT KIND OF FAITH GOD EXPECTS FROM US?

Let us examine this through a case study. Once Jesus was walking on the water to reach out the boat in which His disciples were travelling (MATTHEW 14:25-31). When the disciples saw him walking on the water, they were really terrified. But Jesus immediately said to them: Take courage! It is I; don't be afraid. At this stage the fear left their mind but no one was interested to show their faith on Jesus that they could perform as Jesus. They did not want to come out of the comfort zone. But Peter told Jesus: Lord if it is you; tell me to come to you on the water. Here Peter wanted the God's command to exercise his faith on God's word. Yes, we have to put in our faith into practice on God's word. It was Peter, who first took the initiative to come out of the unfaithful state to faithful stand. Of course, as Jesus pointed out that Peter's faith was little; the rest were unfaithful to this incident. God wants us to take initiative to read and meditate on His words to develop the required faith. Like Peter, our faith may be of little but good enough for Christ Jesus to save us, when we are in trouble. His hands are always stretched out to rescue us from our troublesome life. Little faith is the beginning as Peter decided to come out of the boat; greater faith is the blessing when he returned along with Jesus Christ back into the boat. What a feeling Peter would have had after that incident during the travelling. Hallelujah, Praise the Lord, Glory to God.

### **2.0 Need for Holy Visa**

Having understood the importance and the criteria for holy visa, let us examine why we need it. The soul of a person is created in the image of God to produce the likeness of God, because the Spirit of God has been the dwelling source of energy in it. *Therefore the*

*soul has to live forever somewhere as God is living forever.* God the creator of this soul and spirit had put this spiritual system inside a physical body. *When such a system takes any input it responds to that input.* God made the physical system from the substances of the Earth with a regenerative capability (*'self healing human system'*) through the fruit of life (Genesis 2:9); unfortunately man decided to reject that wonderful gift for the sake of lustful pleasure (to be worshiped by fellow creatures); this is exactly the character called proudness.

God in His wisdom indeed had created human system based on two basic principles.

- Self-healing humanic system – Insured physical life
- Self-dying demonic system – Censured physical life

Today, humans belong to the generation of second category due to their disobedience to God's word. We have censured physical life that will surely die; it is a repercussion of making a wrong choice. However God did not let us totally down because His image (soul and spirit) is an eternal system, which is actually the life (Spiritual system) inside every person on this Earth. He therefore has set a day of judgment for both physical and spiritual system. *The physical system was already judged; physical death terminates our stay on the Earth.* For example, during Noah's period except his family and the living creatures with him in the ark, the rest of the physical lives on the Earth were completely removed (Genesis 7:22). God showed His grace and mercy on Noah and his family because the salvation plan was set for the humans, right after the first family (Adam & Eve) disobeyed God in the Garden of Eden. However the judgment on spiritual system came into existence nearly 2000 years after Noah, when the Son of God died on the Calvary to save the souls on this Earth. Today, we are the generation, who do not worry about God's judgment because our sinful vision cannot permit us to see holy God and feel His gracious presence.

Remember that God has set all His principles in heavens and on Earth, which cannot be changed for anybody. Whoever accepts God's principles may receive His grace and mercy. They are the only sources, which could reunite a sinner back into God's kingdom to have an eternal life. We have already lost the wonderful opportunity to live in this

physical system eternally, based on the principle of regeneration and therefore have already attained a degenerative nature for a short term lustful benefit (pleasure in flesh). However God has made an alternative plan for humans forever to live in peace in His spiritual world. Let us understand that the spiritual system we hold inside our body must stay somewhere; the question is where and how? The stories we listen and wandering here and there do not provide any basis because they are wicked, selfish motivated.

### 3.0 God and His treasure

The living God indeed has revealed everything explicitly.

- Path of salvation
- Righteous judgment
- Heavens, hell and hell of fire
- New earth and its heaven

However it needs a close examination to learn about God's plan for a normal human being.

This article assumes that the reader is ignorant of living God and therefore it wants to bring the glorious plan and wonderful gifts God has in His treasure for such a person. This article raises seven common questions that may come into any human's mind and finds answers from the Holy Scriptures, systematically to address them.

- What would be the state of a soul in heavens or hell?
- How do we understand heavens and hell of fire?
- Is soul destroyable or eternal?
- What does rebirth mean; if it is true then how many times?
- Why do we need judgment; who will be the judge?
- Why God wants to judge souls; who are we to him?
- Who is God to the world?

To the above seven questions, we cannot find the soul convincing answers from any religious book written by humans; except the one we have received from heavens, which is the WORD OF GOD. As man has turned his life upside down, we shall examine from the last question to the life searching problem. Let God almighty bless all the souls of the Earth by His grace and mercy through our savior Lord Christ Jesus.

### 3.1 WHO IS GOD TO THE WORLD?

Bible, the book that contains WORD OF GOD clearly answers all the above questions and recognizes our needs to understand God. It encourages humans to feel and realize God, so that they would appreciate (praise) God for His glory. *The idea of planting His image and likeness in a regenerative physical system was a master plan, God prepared to bring justice for His righteousness to reveal the wickedness of His enemy.* In that master plan, God chose the man as His younger partner and inhabited him and his helper (woman) on this planet Earth, by crowning them as His prince and princess.

Behold, the man and the woman betrayed the father of truth (God) and got aligned with the father of lie (God's enemy). Since the enemy of God became friend of His children, God wanted to protect them with a substitute plan called the PATH OF SALVATION. *Though the creation was made with a good intention, unfortunately the creatures did not meet the norms and standards set by the creator.* Therefore God thought that the human life must be standardized, besides settling the issue with His enemy. This is exactly the motivation behinds the path of salvation. We have two choices.

- Accept it and face the judgment
- Reject it and face the judgment

However, God has set up only one way for salvation; if someone goes through that path will reach Him (God lives in heavens) in time. But there are many ways, which God's enemy has made and given to mankind to reject the path of salvation. Rejecting the path of salvation is nothing but rejecting the God of truth.

#### NOW LET US SEE WHO IS GOD?

God is Omni potent (source of everything i.e. living and non-living; *present everywhere simultaneously*); Spirit personality; He is the creator, protector and provider. We therefore cannot visualize the holy God through our visual organs, which are physical. Either by tormenting the physical body or looking at the hand made solid shapes (any), no one can get the feeling of true God. *God indeed gets connected to the physical world only through the spiritual system, inside every human being. Therefore a true worship is the worship of true God in our spirit.* God has a divine family in heavens and there are no physical relationships exist in heavens (husband, wife, uncle, aunty etc); only father and children relationship exists.

In His family:

- God is the head of divine family and is the creator
- Son of God is the saviour
- Holy Spirit is the provider

The divine family has two kinds of children (created directly by God);

- Spiritual children living with God
- Physical children holding the image and likeness of God

The physical children are living on this Earth and the spiritual children have been living in heavens since their creation. Let's appreciate the love of God; since He has created all of us to live on this planet Earth, He has fused His presence in every one of us. Yes, His image is our soul and His likeness is the thought life that presents in every soul; unfortunately it is either in spiritually active state (one with God) or passive state (separated from God).

As the creator, God has got every right on this Earth and its inhabitants; so the world is full of God's glory. That's why He would like to set right things on the Earth in an orderly manner. God is the same yesterday, today and forever to everyone of this world.

GOD IS ABOVE RELIGIONS, REGIONS, CASTES, COLOURS, CURRENCIES, CULTURES AND LANGUAGES; OF COURSE HE EVEN DOES NOT DIFFERENTIATE MALE AND FEMALE FROM THE SALVATION POINT OF VIEW. These are manmade things, under the knowledge assistance, received from the greatest liar of the universe, who is also the enemy to our beloved God. If we are God's children, His enemy is also our enemy.

### **3.2 WHY DOES GOD WANT TO JUDGE THE SOULS; WHO ARE WE TO HIM?**

When the purpose of His creation was not met the desired mission, the creator made an arrangement to rescue and restore the humans to meet His standards. In this way the infectious disease (lustful thought life) must be cured in us to become God's children. SO AT THE OUTSET HE HAS RECOGNIZED OUR DISEASE AND PROVIDED WITH A RIGHT MEDICINE (SALVATION). Many other false stories also would talk about curing (cleansing) the souls; either they would try to consider or convince that human is a sinner; and eventually may tell that the sins can be washed off just by some physical or materials offerings. *Here we have to understand a point that the true God does not need to consider or convince us;*

*rather He recognizes us as sinners because He loves every one of us.* Every soul is created by God for a divine purpose and destination. Unless He judges the souls, His love towards us will not be justified. Therefore, we should never think that whatever we do will be acceptable to God. Certainly not, because God's love is supreme and the love of God must judge the lust of Satan to expose it to the universe (multi-polar worlds); every deed that is done in darkness will be exposed in light. God's love has been revealed already on the cross through our saviour Jesus Christ and on the judgment day, the lust will be exposed to the world. Are we going to listen to false stories and believe them during our physical stay on this Earth and receive the final judgment?

SCRIPTURE SAYS:

“WHOEVER BELIEVES IN THE SON (CHRIST JESUS) IS NOT JUDGED; BUT WHOEVER DOES NOT BELIEVE HAS ALREADY BEEN JUDGED, BECAUSE HE HAS NOT BELIEVED IN GOD’S ONLY SON. THIS IS HOW THE JUDGMENT WORKS: THE LIGHT HAS COME INTO THE WORLD, BUT PEOPLE LOVE THE DARKNESS RATHER THAN THE LIGHT, BECAUSE THEIR DEEDS ARE EVIL.” (John 3:18, 19).

But everyone's deeds will be exposed on God's day along with their respective leader; those who follow the truth would be with Christ Jesus and others would be with the liar (Satan).

**3.3 WHY DO WE NEED JUDGMENT; WHO WILL BE THE JUDGE?**

In the path of salvation, God chose His only begotten Son Christ Jesus as partner and made Him to sacrifice His precious life as the ransom gift to the world of sinners. Scripture says that Christ Jesus has died for sake of our disobedience and iniquities.

SO WHY SHOULD WE BE JUDGED FOR HIS DEATH?

Jesus was completely sinless in every aspect of life during His stay on the Earth; but God made Him to take all the sins that would originate from this world; and also God made a righteous covenant with His Son; it was written by the blood of Christ Jesus; whoever accept that Jesus has died because of their sin then they are saved from the eternal death and those who do not accept Him as their savior will be rested eternally in the hell of fire. Indeed God has opened the gateway to heavens through Jesus Christ. Jesus says: **“I am the gate; whoever enters through me will be saved”** (JOHN 10:9).

WHAT IS THE NEED FOR SUCH JUDGMENT IN THIS EPISODE?

First of all, let us understand that God is same as He has been forever; it means that before any creation was performed on the Earth, God was living in heavens with His spiritual children. God indeed set all His principles first before any creation was made. He therefore wanted every creature to respect His principles as He does. Every system He created works according to His principles. He has established 'WORSHIP' (respect) as the prime relation between the creator and the creatures. **Only the creator of all lives deserves worshipping**; that is that God must be praised by every creature for the given life. Worship means submitting our respect to God by honoring all His principles, in which we have a total agreement with Him.

- *Submitting* : truthfully accepting God as the source of life
- *Honoring* : thanks giving, praising and respecting His nature (love)
- *Serving* : performing His assignments

God was governing the heavens with three major ministries (before any creation on the Earth took place; that time earth was empty).

- Worship and service
- Gospel and communication
- Defense

*Among all, the head of worship and service ministry was created with special gifts; his name was Lucifer.* He was an anointed beautiful creature with lots of talents on his treasure. It was indeed required for Lucifer to have such blessings because he had to perform praise worship to father God. GOD IS THE STRICT FOLLOWER OF HIS PRINCIPLES, WHICH ARE BASED ON THE TRUTH AND JUSTICE. Since Lucifer had to conduct the worship, staying near to the glorious and purest personality, apparently he was created as a beautiful angel. Worship involves praising (singing) therefore he was given the necessary wisdom and knowledge (anointed with musical talents); also he must wear priceless ornaments to present himself beautiful. The holy bible clearly says that Lucifer (Satan) had all these qualities.

#### THEN WHAT HAPPENED TO THIS SYSTEM?

Lucifer had developed some passionate, lustful desires of being worshiped by other creatures of God, instead of only conducting worship to God. The scenario changed the moment Lucifer was found guilty; God read the mind of Lucifer and took a righteous

decision to expose him. However God wanted to restore His justice in a righteous manner. God loves every one (all His children) therefore He did not like to create any calamity or restlessness in His children's minds. Since Satan denied the facts and did not agree with God and stood strongly on his view points, God prepared a master plan in which through a truthful worshipper (PSALMS 8:4, 5), a creature lower than His spiritual children to expose one of His powerful minister of the universe.

God is being the sole source of creation, protection and destruction of lives could have punished Lucifer immediately; but that was not His righteousness. *If an intelligent creature (angel or human) does not agree of their mistake and repent for the wrong doings, its creator's responsibility to expose the wicked mind of that creature to the other creatures; that is the principle of righteousness, God has set for the entire universe.*

Friends, the same is applicable to the lives on the Earth. AS THE DESIGNER OF SPIRITUAL, PHYSICAL AND MATERIAL SYSTEMS, GOD KNOWS HOW TO DEAL WITH THEM. In addition, the entire group that believed the theory of Satan (i.e. he was innocent) had to be justified also for their rebellion. Therefore, the divine family came out with the following mission:

- The truthfulness of God must be restored in the universe
- The unethical desires of Satan must be exposed
- Satan and his followers must face the judgment

With these three point agenda, before making any creation on the Earth. God had selected all of us in His wisdom (Word of God, the only begotten son Jesus Christ).

#### WHY THIS WAS NECESSARY AND WHAT DOES IT MEAN TO US?

God in His wisdom takes decision that is purely the best solution. However He wants to support and protect such solution once it is implemented. Therefore before the creation of man on the Earth, God decided to support and protect the man and his off-spring to meet the mission requirement. So when God decided to bring the judgment on Lucifer, He had selected all of us as potential worshipers.

#### *3.3.1 Potential worshiper*

Potential worshiper is the one who is eligible and capable to worship the creator. Potential is defined as the state of possessing something. It must be used to make the system functioning. The physical body is holding that potential (spiritual system). God

therefore has created the spiritual system in His likeness and made it as the master for the physical system. THUS THE HUMAN CONSISTS OF AN EXPLICIT PHYSICAL SYSTEM AND AN IMPLICIT SPIRITUAL SYSTEM. The spiritual system (potential) has a specific duty of worshipping God (functioning) and the physical system is to support it. **God accepts worship that is in full strength (spirit), full mind, full soul and full heart.** God's plan was to design the human system and through that system (man) expose the evilness originated in the mind of Satan.

### 3.3.2 Why God selected human for His mission not angel?

Reasons for selecting human:

- Unlike the spiritual child, physical child (man) would have both spiritual system and physical cover; so that even if Satan deceives man, he could go through the path of salvation to restore the spiritual system
- Man had the mandate to create his off-spring on the Earth and hand over them as potential worshipers to God
- The physical system therefore (cover or body) was made to live on a regenerative principle until the mission could complete; this was exactly the continuation of physical life through the fruit of life
- However the spiritual system would have eternity as it was created in the image of God but holding/or developing God's likeness is mandatory

*We therefore can define human as a system that consists of an eternal spiritual system inside a conditional physical sub-system (self-healing state).*

Man was created a level lower than the spiritual children by all the standards of God. It does not mean that God loves us relatively less than His angels or shows less importance on us. WE ARE GOD'S GLORY ON THE EARTH; WE MUST UNDERSTAND THE PURPOSE OF GOD; WHY HE HAS CREATED US ON THE EARTH. He lowered the man in order to lift him above all other creatures. As God wanted to expose the anointed Lucifer, unless God would lower the human, the human could not be lifted up to the position of Lucifer and

his followers. So *Adam was created for a mission and with great responsibilities*. But miserably he had failed in meeting his mission target.

Nevertheless God has successfully done it through the last Adam (Jesus). Father God has anointed Jesus Christ as chief priest and King of King and has placed Him above all the creatures on the earth and in the heavens. Every creature must worship God through Jesus Christ; thus His name is glorified. Praise the Lord. Therefore becoming the child of Jesus Christ means that joining as a member in the dignified ministry (worship and service). GOD GIVES PROPER TRAINING TO ALL THE CHILDREN OF CHRIST JESUS THROUGH HOLY SPIRIT TO BE ACCEPTABLE BY THE NORMS OF HEAVENS (GALATIANS 5:22, 23). Now believers will understand why they need testing and sufferings by the tempter (Satan). Through every believer's life God wants to expose Satan and defeat him; crush his passionate, illicit, lustful desires. When we come out successfully completing this mission, we receive our priceless gift of eternal life to live forever with our father God (JAMES 1:12).

### 3.3.3 Why God selected Earth for His mission?

- In the beginning Earth was empty and formless; so God selected it as His dwelling place; through His mighty power He wanted to make it a paradise i.e. worship centre
- Mostly those who do not like their profession may miss terribly the required perfection in their job; But God being the creator loves His job; that's why His creation is always perfect; then how we become imperfect?
- Since God is so pure, in case of His physical children disobey and become the follower of His enemy, the very presence of God's glory (purity) would destroy them. NO UNCLEAN PHYSICAL THINGS/LIVES COULD SURVIVE IN THE PRESENCE OF GOD (EXODUS 19:10-13). So God chose a destination well beyond the destruction level of His very presence (in heavens)
- Also the entire proceeding must be observable by heavens (the spiritual children of God); so that they pose their total faith in their father by seeing the true color of Satan

- Above all these, God wanted Satan and his demons to move to their new destination on their own; that is the wisdom of God; therefore He had created a world for disobedient below the Earth called Hell i.e. Kingdom of darkness, where a life stays without God eternally

Being the wisdom and knowledge of everything, God perfectly performed all the creations, taking care of the needs of His physical children. He therefore made all the necessary protections and anointed the first man as the prince of paradise Earth. God also realized the need of a helper for the man, a spiritual partner; so He created a woman out of man's body in order to assist the man to conduct worship to YAWE (one being the same forever).

#### *3.3.4 How Lucifer became Satan to the Earth?*

The anointed Lucifer, the day entered into the body of Serpent became a Satan to the Earth. How? Let us see the nature of Lucifer; he was a spiritual personality created to produce the likeness of God; but to meet his passionate desires he took the body of an animal. It was against the principle of God. The animals are not created in the likeness of God on the Earth; they do not have a spiritual system of eternity. When Lucifer violated the principle of God, he became enemy to God. LIKE HIM (LUCIFER) WHOEVER VIOLATES THE PRINCIPLES OF GOD AND GO AGAINST THEM ARE ENEMY TO GOD. *So, on the Earth only two kinds of humans are living; one follows the Spirit of God and another gets addicted to lustful spirit of Satan.* By entering into the body of an animal, Lucifer lost the God's anointing and glory he had in heavens on his own; that is God's righteousness. Every child of God in heavens had observed this greatest historical event. Please remember that every incident that takes place on the Earth is recorded in heavens. God permitted Lucifer to do this because he questioned God's truthfulness; and therefore God exposed him first to His spiritual worlds that Lucifer was not worthy anymore to stay in heavens and hold any position. Lucifer chose the destructive path on his own; that's why his destination is very clear. He wants to destroy the system that God has established on this wonderful planet. God rightly on His righteousness made Lucifer to vacate his place from the worship centre in heavens. That is God's glory and wisdom.

Today God has permitted us on this Earth to live as His glory; allowed us to use all His treasures; so obviously we need to be judged whether we are worthy anymore or not.

SINCE OUR PHYSICAL FATHER HAD SINNED (FIRST MAN) AND BROUGHT THE DESTRUCTION TO OUR PHYSICAL SYSTEM, GOD HAS ASSURED US AN ETERNAL LIFE THROUGH A SPIRITUAL FATHER CHRIST JESUS. However to receive this life, our system needs to be overhauled (path of salvation);

- Cleansing (Repenting)
- Repairing (Submitting)
- Servicing (Anointing)

Our physical body is the temple of God that holds the image of God (Soul) to produce the likeness of God (Characters); since childhood the soul is subjected to the sinful world and due to which the spiritual system is inactive. Therefore God has made an arrangement to recreate every sinner (a soul that is incapable of producing the likeness of God) as a righteous one in Christ Jesus through the path of salvation.

If we reject the path of salvation and continue to live in an inactive spiritual state then one day it will have to leave the physical body. As the system is spoiled and not saved, God can not accept such soul. Therefore God has made the salvation process through which He will make a righteous decision; it will be a soul convincing one. The unclean spiritual system can not be accepted by heavens as it has followed Lucifer. The passionate desires of Satan had driven him out of glorious heavens; if we develop such desires on the Earth that would drive us out of glorious eternal life, which has been promised by the living God.

### *3.3.5 Why Lucifer could not directly enter into the body of Physical Children?*

Lucifer could not enter directly into the body of either man or woman because they were created in the image of God; we are not animals; we are the children of living God. Lucifer therefore had to adapt a cunning route to trap humans. By not permitting Lucifer to enter directly into human system, God had well protected His physical children from spiritually being destroyed. He had created them as two because to energize them spiritually; wherever two humans call upon the God of truth in their spirits that prayer would bring the presence of Spirit of God.

*What is this principle?*

GOD IS INSEPARABLE WITH HIS HOLY SPIRIT (SPIRIT OF GOD) AND HAS A BELOVED SON THE SOURCE OF CREATION (WORD OF GOD). THEY ARE SPIRITUAL PERSONALITIES FORMING A DIVINE SYSTEM. Therefore any two spiritual systems when resonate that is to do prayer in spirit will generate holy feelings in soul that will send signal to the divine system. All the fleshy feelings are unholy; do not belong to heavens but to the physical world. Adam and Eve were prayer partners in the Garden of Eden. With his lustful theory of life, Satan convinced one of the prayer partners; that is why **St Peter** calls Eve a weak vessel (**I PETER 3:7**).

*3.3.6 Did God expect this to happen?*

In order to understand this question, let us examine what are the qualities, God had put in these two physical systems (Adam and Eve):

- They were created in God's image (Soul + Spirit), on His likeness (Characters); His wisdom and knowledge (Holy Spirit, God's word) were given to rule all other creatures (Free will and Authority)
- Adam named all the creatures; so he was expected to explain to his partner the divine agreement he had signed with God; they were aware of everything including their responsibilities
- They were covered with light (Spirit of God); so they did not feel nudity (symbol of physical feeling); they were just clean spiritual systems in physical bodies

Therefore God expected them to be obedient and sincere to what they had agreed upon.

EVEN TODAY GOD DOES NOT COMPEL ANYONE TO ACCEPT HIS PRINCIPLES; BUT IS EXPECTING TO LOVE HIS PRINCIPLES; THOSE WHO LOVE HIS PRINCIPLES BECOME PART OF THE COVENANT HE HAS MADE WITH LAST ADAM THAT IS OUR SAVIOR CHRIST JESUS.

Hence God did not expect them to make mistake. However, God being wisdom had kept optimal solutions to any eventuality that might occur due to the intrusion of Satan with His truthful worshipers. God righteously expects His creatures to perform because He provides the total support to achieve the mission target set for each creature. The commands He has set are well proven and every one will just have do the job what is intended. Human related commands (potential seeds of the mind: God's word) are made available through His Holy Spirit to us. God's thoughts are always in His mind only as

the potential seeds i.e. words; the moment He speaks out these words that will just perform. The end of this world is therefore in His mind; no one knows when it will happen?

Coming back to Eden, Eve had permitted a bad seed in her mind field to be sowed by revealing a holy secret to an unholy person. That was the reason why she had miserably failed. Any command of God is a potential seed to perform on the principle of total faith. That's why God says that we must first of all have faith on His words. Why? The main reason is due to time difference; God's time and what He has given us is different. God is living since beginning; who can count on His timing? But our days are numbered on this Earth. While reading His words, one can find that many things had happened in the years back. But His principles are the same because they are created by means of potential seeds, which will not change. He says that heavens and earth will perish but not His words. He created everything through His words. Therefore, we must understand a point that any command of God will work forever, if faith is invested on it. However the command needs to be energized by the Spirit of God.

$$\text{Word of God} + \text{Spirit of God} = \text{Creation of Energy}$$

Even with the bare human knowledge, anybody can understand that once energy is created then it will perform the targeted mission. It is wise to learn that all the principles of God will do their intended job. Look at Christ Jesus; He had performed all kinds of miracles through this spiritual energy. HUMAN CANNOT CREATE SPIRITUAL ENERGY BECAUSE WE ARE JUST THE CREATURES NOT A CREATOR. That's why God wants us not to be proud of what we perform. We have investigated many things over 6000 years, being on this Earth and recorded only the findings of what God had distributed in this land, oceans and in the atmosphere. Our finding says that energies in the materials can neither be created nor destroyed; only they can be transformed from one state to another. This is also true for the spiritual system because the spiritual energy is created by God in heavens and He only knows where to settle it.

If Eve would not have told Satan the truth (God's command: potential seed) that God had put in her mind through Adam, who received it directly from God, she would have definitely escaped from the temptation of Satan. One more point we must understand here is that Eve did not develop a total faith on God's command.

If our heart is empty (vacuum) God is ready to fill it up with His glory (Wisdom of God). It is explicit that the physical children are God's glory; because through them God exposes continuously the ugly face of Satan to the universe. SATAN MAY TELL THAT WE ARE NOT PERFECT ACCORDING TO THE STANDARDS OF GOD. REMEMBER THAT WE HAVE BEEN CREATED BY A GLORIOUS GOD, WHO IS PERFECT IN EVERYTHING AND HE HAS GIVEN TO US A FATHER WHO HAS PROVED HIS PERFECTION BEING IN FLESH. God has given us His Son's spirit (Holy) to get purified and lift up our standards to heavens. So who is Satan to us? Why do we lend our body for him to spoil the likeness of our wonderful creator?

The secret of God is that Christ Jesus might have died on the Calvary in weakness but got resurrected by the power of God. He lives in eternal life that is the victory over eternal death (Satan). In His blood, this victory is achieved; in His name one can defeat all the demonic forces, temptations, sickness in the body. Those who trust in this secret are leading a successful spiritual life on the earth and after the completion of their physical life will enter into a peaceful state in heavens (ISAIAH 57:2).

### **3.4 WHAT DOES REBIRTH MEAN; IF IT IS TRUE THEN HOW MANY TIMES?**

The physical birth on the earth was God's natural blessing (freedom of God); bible says that the children of men are the freedom they receive from God. Remember that the potential seed was one of the blessings Adam received from God to complete His mission on the earth: **'Be fruitful and multiply'**. NO MAN CAN FEEL PROUD OF HIMSELF WHILE BECOMING A FATHER; HE IS JUST WITNESSING GOD'S CREATION. We must acknowledge that the physical birth is a sinful process because Adam and Eve could start their family life after an unsuccessful spiritual mission (GENESIS 4:1).

**God defines sin as a noncompliance state of any act with respect to His righteous principles.**

Since the first family did not obey God's command, their spiritual system could not produce the characters that might meet the standards set by God to be His children. Everyone on the earth by their natural birth is genetically a sinner (in flesh) except the seed that came from heavens (Christ Jesus). Therefore, God has established the path of salvation to clean both our physical and spiritual systems; this process is known as rebirth. Without a spiritual father, there is no rebirth (cleaning) possible for a physical person.

#### *3.4.1 Cleaning the physical and spiritual system*

- Accepting Christ Jesus as the spiritual father makes a physical person, a spiritual child to God.
- Since God has recognized all of us as the sinners, we cannot proclaim self righteousness to justify our deeds; therefore we must trust completely Christ Jesus, who has established God's righteousness on the sinful world.
- Self righteousness brings condemnation to spiritual life (eternity); but there is no condemnation for those who are in Christ Jesus, because through Christ Jesus the law of the Spirit of life set us from the law of sin and death ([ROMANS 8:1, 2](#)); this is called God's righteousness or judgment.
- In order to share the God's righteousness, rebirth in Christ Jesus is the only way; it is done through water baptism (cleaning the physical system), followed by fire anointing in Holy Spirit (cleaning the soul i.e. spiritual system).
- When the physical body is immersed inside the water, we witness the death of Christ; i.e. accepting that He died for our sins (state of repentance); on the other hand when we rise from the water bed we witness in faith the resurrected Christ, who lives to save us. This is the process of witnessing the divine family (Father God, Son of God, and Holy Spirit).

Though every man and woman on the earth has the spiritual system (soul), it is not in the righteous form for the Spirit of God to enter and dwell inside him/ or her; i.e. make His holy presence felt in their heart. So, the divine family has adopted a systematic approach or methodical way to clean the unclean spiritual systems (souls). Why?

**Every Soul belongs to God.**

- God has given His potential seeds (God's Word) to us; by planting them in our mind and heart, one can reorient their direction of thinking.
- We must read God's words daily and mediate on them (practise); they would certainly perform; but we need a guide to do this spiritual project.
- God has sent His Holy Spirit (Son's Spirit) to guide us; the Spirit of God puts the righteous thoughts of God (words) into our mind to have the right thinking in everyday's life.
- Humans cannot find solutions to their problems on their own; but God has solutions for our every problem; we do not need to search the complete Scriptures (Bible) for that, if we are guided by the Spirit of God.
- If the mind and heart is made righteous, then we become eligible to have God in us; this makes us the truthful worshippers of the living God.

Therefore, rebirth is a spiritually active state being in the physical body. Since God has anointed Christ Jesus as our Chief priest, the children of Christ only can become eligible to conduct the worship to the true God. Rest all other worships go to God's enemy in different format.

MANY STORIES ARE BEING FLOATED BY THE FATHER OF LIES (SATAN) ON MULTIPLE BIRTHS OR THERE IS NO REBIRTH (TREATING HUMAN AS ANIMAL). Let us remember one thing, God given life (soul) is eternal; it is up to us to examine, decide where to live; either in light (with Christ Jesus) or in darkness (with Satan). If we decide now and accept Christ Jesus as our spiritual father (saviour of soul) then we are born again as His children; else we will meet Him as the righteous judge on God's day.

### **3.5 IS SOUL PERISHABLE OR ETERNAL?**

Soul is the character developing spiritual body (REFER TO ARTICLE: Human @ Scriptures and Sciences); it connects the spiritual system with the physical body. The mind that receives information (potential thoughts) creates images (executable commands) and the soul responds to these images with appropriate emotions; as the result, characters are developed. *If the thought is right, then the mind will create a right image to a situation and the soul will fuse a right emotion to produce a righteous character.* Therefore, it is explicit that an unclean spiritual system cannot develop any righteous character. Let us

understand that the physical body is only a tool to execute these developed characters. However, if the physical system is once trained with such characters and enjoyed the pleasure of executing them then it will demand the spiritual system to develop similar emotions or feelings frequently or periodically. It makes sense now to conclude that addiction to something is habitual i.e. **CHARACTERISTIC INFECTION**. That's why psalmist says: ALL HAVE TURNED ASIDE, THEY HAVE TOGETHER BECOME CORRUPT; THERE IS NO ONE WHO DOES GOOD, NOT EVEN ONE (PSALMS 14:3). If we train our physical system with righteous characters, certainly it will behave well as the temple of God (**ENOCH** walked with God for 300 years, **GENESIS 5:22**; **NOAH** walked with God as upright for many hundred years, **GENESIS 6:9**).

Therefore, an unclean spiritual system needs cleansing in order to produce the righteous characters. The world will possibly talk about self righteous principles; bible does not teach such practices. God has openly declared that we are all sinners; the disobedient of His principles. It means that we can never please Him by meeting His standards on our own. Then how do we make it to heaven? Who will share with us his righteousness?

God found our state as miserable and the only way humans could come out their wicked state was to admit their sins in his account. But He is being a righteous and spiritual personality, decided to take up an earthly mission; this time in flesh; so that our sins could be transferred into His body. Christ Jesus is our Lord, the living God in flesh, who has been authorized to receive the sinners. Every life is created by Christ Jesus; so every soul belongs to Him. How? The physical body is manufactured through the physical action of our parents, in which God puts the precious soul (heavenly life). God's word is the means to train this soul to practice God's righteousness. Fear to the Lord is the beginning of the wisdom; obeying God's word brings knowledge. If not, then the soul gets trained in the worldly system. Whatever God offers is eternal; therefore soul is eternal spiritual system. Since God has authorized man and woman to create the physical system, it is perishable as they are perishable; but as God is eternal, the soul we receive from Him is also an eternal system. It will live eternally. The following are the key points from the Scriptures to support that Human is a soul cantered personality.

- According to [GENESIS 2:7](#), God breathed into Adam's nostrils the breath of life (soul - the spirit of life); [GENESIS 5:1](#) says: God created Adam and Eve in the image and likeness of God i.e. like heavenly creatures on the earthly body.
- In [JOB 33:28](#) we read: He (God) redeemed my soul (Job) from going down to the pit (hell) and I (Job) will live to enjoy the light (a life in heavens).
- David sings in [PSALMS 6:3, 4](#): My soul is in anguish (soul develops all the feelings); deliver me; save me because of your unfailing love (God's grace).
- In [ISAIAH 1:14](#), God says: Your new moon festivals and your appointed feasts (religious festivals) my (God) soul hates.
- In [ISAIAH 57:16](#) God says: I will not accuse forever, nor will I always be angry, for then the spirit of man (soul) would grow faint before me, the breath of men that I have created.
- In [JOHN 5:28, 29](#) Jesus says: Do not be amazed at this, for a time is coming when all who are in their graves (souls in rested conditions) will hear His (Christ Jesus) voice and come out; those who have done good will (God's will) rise to live, and those who have done evil will (free will) rise to be condemned.
- Our Lord Christ Jesus further clarifies about soul in [MATTHEW 10:28](#): Do not be afraid of those (Satan and demons), who kill the body (physical death) but cannot kill the soul (spirit of life). Rather, be afraid of the One (God) who can destroy both soul (spirit of life) and body (reformed or new body) in hell (eternal fire).

The above verses from Scriptures bring clarity on the following:

- God has soul, which is eternal spiritual life.
- So, He creates every soul and therefore every soul belongs to God.
- Human is a soul, surrounded by a fleshy physical system, connected by heart and mind.
- Soul is eternal not perishable; only human has soul but not other creatures on the earth.
- Feelings are the fundamental blocks or units to run this soul centred personality.
- Feelings are produced as the result of functioning of thought life; we may call them characters, if they are visually seen.

- However, we do not recognize that to have feelings, thoughts are the basis.
- The thoughts may be generated intrinsically by a soul or it may receive them from outside via mind.
- The words form the thoughts; God has given His words to human soul that is the Holy Scriptures to develop the righteous thoughts.
- Since the beginning (start of life on earth), God's enemy (Satan), exploited one human soul (for example Eve) to seed bad thoughts into others' mind (for example Adam).

THEREFORE, WE CAN UNDERSTAND THAT THE SOUL IS AN ETERNAL GOD'S IMAGE IN EVERY HUMAN LIFE. BUT IT CANNOT AUTOMATICALLY PRODUCE GOD'S LIKENESS THAT IS THE CHARACTERS OF GOD; BECAUSE IT OBSERVES THE SURROUNDINGS (OTHER CREATURES, NATURE, HUMANS, ANIMALS, REPTILES, BIRDS, AND FISHES ETC) TO LEARN AUTOMATICALLY GOOD AND BAD.

We should also notice another important aspect of human life on the earth. God does not impose anything on us. Humans make their choice first in their life; i.e. a man and a woman when they decide to live together, in fact they do not commit to God that they would help Him to complete His divine mission on the earth. Mostly we opt for marriage agreement to meet our desires of the flesh or to satisfy our parents or for some other things other than God's plan. However, God remembers His covenant with Adam and the purpose of human creation; that's why He awards the spirit of life (soul) to our children.

THE SOUL IS A HEAVENLY SEED; BUT IT MUST BE SEASONED IN THE WORD OF GOD BY THE SPIRIT OF GOD TO PRODUCE THE LIKENESS OF GOD.

If this is done, then the soul receives the Faith passport from Holy God, our Lord Jesus Christ to enter into heavens for a peaceful stay. On the other hand, if a soul does not permit God to reformat its observations, then it passes away (go away from the wisdom and knowledge of God) with the acquired data or knowledge from the world to a destination called hell, where it temporarily stays until God's judgment day.

In the next section, we examine the facts about heavens and hell briefly, in order to augment our understanding.

### 3.6 HOW DO WE UNDERSTAND HEAVENS, HELL AND HELL OF FIRE?

Of course, we have every right to learn about these two important places; because they are our end destinations after God's judgement. Our Father in heavens is the righteous God and protector of the truth and He does not want to hide anything from us. God hates deceitful lips; therefore we can certainly believe the Scriptures. GOD IS LOVE AND HE IS LIGHT, THEREFORE THE PLACES (HEAVENS) WHERE HE LIVES HAVE BEEN OFFERING THE FRUITS OF LOVE TO LIVE IN LIGHT. Peace, joy and happiness are the states of life in heavenly places. We may wonder did God expect Lucifer to become Satan. No certainly not; because **God under any circumstances think no evil in His heart.** Then why God has created hell. Here we have few points to get clarity on the principle of God's creation.

- God created the paradise earth (worship centre); and put His children Adam and Eve in it; as long as they listened to God and obeyed His words, they could retain their physical eternity in light on the earth.
- The moment they changed their mind to disbelief on God's word and followed the words of God's enemy, the earth has automatically become a sinful place.
- Similarly, the planet system, in which possibly Lucifer and His angels lived, was with God (ISAIAH 14:13-16; EZEKIEL 28:13-18) and they were indeed obedient children of God until they were found guilty of practising deceitful thoughts. Therefore, THE PLACE WHERE SATAN AND HIS DEMONS HAVE BEEN LIVING IS CALLED HELL. Since they are living without God's presence (light), they do not have peace, joy and happiness. In fact we do not have much account of this place (hell) in the Holy Scriptures; but every soul that does not make it to heavens has to stay in hell for the judgment of God. Hell is a lower place; we have many records in the Scriptures to support this point; especially in the Old Testament, we can read about the children of God (Jacob, Samuel, David etc), who used to mention after the death they would descend to hell. Matthew has recorded in the chapter 27, verses 52, 53 that these holy people who had died before Christ were raised to life along with Him (resurrected).

God clearly tells His Children to look up for heavens (II KINGS 2:11; PSALMS 121:1; ACTS 1:9-11); certainly they are high places because the most high lives there (PSALMS 11:4, ISAIAH 66:1; MATTHEW 5:34; REVELATION 4:1, 2).

### WHAT IS HELL OF FIRE?

Hell of fire is the planet system, which would be created by God, since He has found some of His creatures are disobedient and rebellious. This is a place, where God wants to settle finally Satan and his demons to live forever in deep darkness. Bible evidently foretells about these incidents, which have to happen ([REVELATION 20:9, 10](#)).

Satan's disobedience has brought God's judgment on the spiritual systems; hence God has made a place for the spiritually disobedient to live (Hell). Adam's (first man) disobedience has brought God's judgment on the physical system; further it has made the paradise earth to a sinful world, so we have troubles in our physical life (famine, drought, sickness, wars etc). We know that one day we have to leave this body since we have no authority to stay forever in this physical body. But everyone must learn about our God that He is a good God; He is our father. He only wanted to remove the cover (physical body) that has become destructive, resting on our soul. He does want all of us to live with Him in His kingdom forever in peace, joy and happy. The only way is Christ Jesus, who has given His life as the precious sacrifice in order to save the souls of the sinners (disobedient). [BELIEVING JESUS AS CHRIST \(SON OF GOD\) IN OUR HEART AND DECLARING HIM AS OUR SAVIOUR \(FATHER\) MAKE US TO HOLD THE FAITH PASSPORT](#). Continue to follow His path after water immersion and anointing by Holy Spirit assures the Holy Visa that is a life in light.

### **3.7 WHAT WOULD BE THE STATE OF A SOUL IN HEAVENS OR HELL?**

This is a crucial question among the seven we have raised in the beginning in order to learn about our life. The reason is that unless someone understands what comes after the death, there can be no faith possible with any hope.

[SOUL IS AN ETERNAL SEED; EITHER IT HAS TO BE IMPLANTED IN A RESURRECTED BODY TO HAVE AN ETERNAL LIFE IN LIGHT OR EMBEDDED INTO A RECREATED BODY TO LIVE IN ETERNAL DARKNESS \(ETERNAL DEATH\)](#).

During its stay in a physical body (earthly), the soul needs to grow to produce the likeness of God so that it becomes a heavenly seed. The likeness of God means to develop God's qualities (characteristics) i.e. to behave like Christ Jesus in every situation.

That's why salvation is also known as rebirth in our Lord Jesus Christ. We should not misread God's plan for the earth; the earth must produce truthful worshippers. Unfortunately due to our disobedience, we do not meet God's standards naturally. God certainly does not want untruthful humans (disobedient) to live with Him in the heavenly places. *Our problem is that we do not have some time to spend with God to study His plan (invitation).*

We read in [JOB 35:10-11](#) as follows: *But no one says, 'Where is God my Maker, who gives songs in the night, who teaches more to us than to the beasts of the earth and makes us wiser than the birds of the air?.'*

WE HAVE TO LEARN FROM GOD, THE MAKER OF OUR LIFE ABOUT WHO WE ARE. WE ARE THE RESULT OF GOD'S CREATION BUT ARE WE THE PRODUCT OF CHRIST JESUS.

The bible clearly says ([JOB 36:7-12](#)) that God does not take His eyes off the righteous (Children of Christ); He tells humans when they have sinned; Indeed He makes them to listen to correction and commands them to repent of their evil. If they obey and serve Him, they spend the rest of their days in prosperity (spiritual blessing) but if they do not listen, then they will perish and die without knowledge that they have had a heavenly seed (Soul). Nevertheless, every soul becomes the spiritual seed after leaving its physical body; God righteously judges the state of the soul. If the soul reflects Christ Jesus, it gets into heaven and be rested in peace until the God's judgment day. The unclean souls since have developed their self-righteousness or wickedness under the guidance of God's enemy (Satan), they will have to go and stay with him until they receive God's judgment. The soul needs peace, joy and happiness; they are the spiritual blessings; God offers these essentials to His children. Satan and his demons have no peace with God; so they can only keep the souls in calamity or restless state ([MATTHEW 25:30](#)).

The final judgment on God's day is eternal and it will lead to a life either in light with Jesus Christ ([ISAIAH 66:22, 23](#)) or with Satan where the fire is not quenched i.e. hell of fire ([ISAIAH 66:24](#); [MARK 9:48](#); [REVELATION 20:11-15](#)).

## 4.0 Conclusion

Human is a soul centred personality. We the humans are the master piece in God's creation. We are fearfully and wonderfully created by Jesus Christ for Jesus Christ. Our stay on the sinful earth is seasonal but it is during this time we will have to decide our future destination. A path has been set by Christ Jesus for us to make it to heavens. In this path, we need to apply for the Holy Visa, which ensures the state of the soul (righteousness) to meet the standards of heavens. The Spirit of God trains us to meet the God's standards during the visa processing stage (Salvation time). This visa is a must for everyone to enter the Kingdom of God.

VISA MEANS, 'THAT THE PAPER HAS BEEN SEEN'. HAS GOD ALREADY SEEN YOUR LIFE? IF NOT, THEN OPEN YOUR HEART TODAY.

Let all the glory to God Almighty in our Lord and Saviour Jesus Christ.

Amen.
