Spiritually uncivilized

Dear Brother and Sister, we would like to greet you in the name of our Lord Jesus Christ and invite you to read our second issue of volume 1. In the midst of a troubled life, God has blessed us to prepare this manuscript, revealing the spiritual contents. It was indeed (y) our prayers to Lord Jesus, which have made us to move further. We are just a small prayer group of five; and in that two of us are working for this journal. The articles that appear in this journal are the outcome of continuous meditation and discussion on God’s word after fasting and praying. We hope that these spiritual findings would help the readers to enhance their understanding on God’s word and His dedication to make us the citizens of His holy kingdom. Hallelujah, all the glory be to our father God in Jesus name through Holy Spirit.

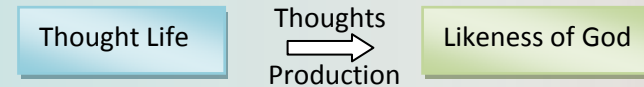

Spirituality plays a major role in humans’ life. The children of men have explored lots of ways to find God(s) on the earth; that’s why many faiths are being practiced. Satan has polluted the minds of people with multiple personalities. But **Holy Scriptures** say: *He (Jesus) is the image of the invisible God, the first born over all creation.* There are many civilizations existed on the earth and few have more than 3000 years old history. If we examine the meaning to the word ‘civilization’, we find an interesting point that is that it defines togetherness (as one); a collective form. *God created man and woman as spiritually civilized personalities.* They were spiritually one with God, knowing Him as their creator. Indeed they were the glory of God on the paradise earth. *They were in the image of invisible God* (Genesis 1:26; I Corinthians 11:7). **Therefore, spiritual civilization means to learn that we are in the image of God.**

Are we truly in that image, which God gave to Adam and Eve (first family) at the time of creation?

Holy Bible calls us sinners. We, the inhabitants of the earth by birth naturally are the disobedient of Godly principles. Remember, God is the spiritual personality; on the other hand we are the physical personalities.

Then where can we find God’s personality in us?

Even though, we may live in flesh, our flesh is operated by the spiritual system, we hold inside it. Not everyone believes that; but everyone thinks at every moment. The thought life is the likeness of God in our spiritual system. *Therefore, the thoughts we generate must produce the likeness of God in order to be spiritually civilized.*

The likeness of God is His characters. In Galatians 5:22, we read about God’s likeness as: **But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law.**

Therefore, if a thought life system produces these characters then it is justified and replicates the God’s image. However, most of us are struggling to produce a few of these qualities consistently. Why, because we do not have the required spiritual manners to be spiritually civilized.

The following spiritual manners make a person to produce the likeness of God.

- Cleaning the soul (Spiritual dress code) gives a holy outlook
- Washing the sins by the blood of Christ ensures safety through forgiveness
- Deliverance from the power of darkness in Jesus name brings spiritual health
- Learning the purpose of creation and life enhances the spiritual status
- Understanding that we are one in Jesus establishes fellowship with God

Soul is the spiritual identity for every physical life on the earth; it represents the heaven on the earth. As we clean our physical body daily, the soul needs to be cleansed regularly. The worship we conduct in our spirit does this precious job. The one who cleanses the human soul is the Spirit of Christ (Holy Spirit). Time and intensity of worshipping, obviously play an important role in the cleansing process. A neatly bathed person looks better. *Like that a truthful worshipper of Jesus*

Christ appears characteristically good. Of course Satan may suggest short cut methods (false faiths) to the people to have pseudo spiritualism (Stress alleviation). **Soul cleaning is a heavenly process that leads to spiritually living on the earth; but washing sins is spiritually clearing the debts, which a human has earned during his sinful life;** it is a onetime clearance by our Master Jesus Christ to reveal God's mercy and love.

Repentance is truthful and spiritual, if it is done once; otherwise it is just a spiritual business.

Different religions preach different strategies for washing sins.

What's God's view point on this soul saving issue?

But if we (sinners) walk in the light as He (God) is in the light, we have fellowship with one another (Civilized), and the blood of Jesus Christ His Son cleanses us from all sin (I John 1:7). If we say that we have fellowship with Him (Jesus), and walk in darkness, we lie and do not practice the truth (I John 1:6). The message is that God is light and in Him is no darkness at all (I John 1:5).

Since we are all created in the image of God, He wants to remove the darkness in us that has been collected from the sinful world by us. He (God) has delivered us from the power of darkness and has conveyed us into the kingdom of the Son of His love (Colossians 1:13). By birth, naturally we are the inhabitants of the kingdom of darkness. But to inherit the God's kingdom, we need to receive God's love i.e. Jesus Christ in our life. Once the bondages of sins are removed, we shall behave spiritually well (civilized).

Bible says that all things were created through Him and for Him (Colossians 1:16). Therefore, we understand that we are created to spend time with Jesus Christ; if we do not spend then the purpose of our creation has not been fulfilled. *God says: "You are created on the earth through Jesus, Son of His love"*. Those who spend their time on the earth without Christ do not know their destination. *Jesus says: "He who walks in the darkness does not know where he is going,"* (John 12:35). We will be spiritually good mannered, only if we spend our time with our Lord Jesus Christ. *Nothing of this world belongs to us but we belong to Christ.*

We must realize that we are one in Jesus (Colossians 1:17). Christ is before us and our life (eternal) is in Him. He is the first born, the first fruit, **the Son of God in flesh on the earth; i.e. the one who has reflected the likeness of God completely, being in the physical body.** By performing this, Jesus has sanctified the flesh and made it the temple of God, in which the Spirit of God dwells. Spiritually civilized person shows the Christ love, being in flesh to the world.

What is Christ love?

In the midst of a troubled life on the cross, Christ love has brought us the forgiveness to our sins. Most of us (believers of Christ) used to question others (non-believers of Christ) why they have not come to Jesus Christ (**Spiritually uncivilized state: not learning that Jesus as Christ**) rather than showing them, why we have come to Christ (**Spiritually civilized state: Living sacrifice**). A true witnessing of Christ love has been living like Jesus; helping others, healing the sick, practicing God's love. Let us be an image of Christ in the place, where we live, work and study. Building Christ in us means building His characters (Galatians 5:22). For this process to continue (Salvation), we need to have a controlled physical life to be spiritually active; being one with God. People must see the resurrected Jesus in you and in me. *Hiding holiness (Christ love) is spiritually an untouchable state;* it is of no use to anyone.

Finally, a breathtaking question on the world of non-believers of Christ love.

Why people become uncivilized spiritually?

According to John 12:35, 36, we have the following reasoning:

- They do not like to walk in the light
- They do not believe or trust the light
- They do not like to become the Sons of light

When we walk in the light, there is nothing can be hidden in us; mutual trust exists between the light and the one who walks in the light. Till date,

after submitting sins, no one has any complaint that their sins are exposed by Jesus Christ to the world. It is a faithful love of the spiritual life, which establishes father to son fellowship, a spiritually civilized state.

Praise the Lord,

Amen.

God bless you all in our Lord Jesus Christ,

Regards from the servants of God

Abstract

The importance of spiritual warfare in a believer's life is examined. The first battle and the last battle are discussed in detail with the help of Scripture. At the end, a case study is presented to conclude that the last battle has been already won by Jesus Christ to make all of us victorious.

1.0 Introduction

God the father passed the judgment in the Garden of Eden on the sinful world, which Adam and Eve (first family) had to create after their disobedience to God's word. This Judgment has the following features:

- Physical death is inevitable to the outer man (Physical system)
- Sin is supplementary in normal human's life, so he/she must repent and remove it from their life
- Physical sufferings are symptoms and side effects of sin, which is really the disease and cause
- Sin multiplies being wicked; therefore everyone on the earth is a

sinner by birth

- Evil thoughts (Satan and his demons) have become the seeds of the world in the thought process, which would ultimately spoil the inner man (Spiritual system)

We have no direct record whether Adam was explained about the *two fold structure* of human system. However, we read in [Genesis 2:23](#) as Adam was telling God,

"This is now bone of my bones and flesh of my flesh; she shall be called woman, for she was taken out of man."

The above verse clearly says that God explained Adam about how Eve was formed; **so Adam could understand that Eve was physically related to him and both of them were spiritually related to God.** Indeed God supported Adam further in understanding his relationship with Eve by adding: "For this reason a man will leave his father and mother and be united to his wife, and they will become one flesh". God wanted them to be the truthful worshipers of His principled life. That's why God gave them only spiritual feelings and the system (twofold human design) God created exactly worked as He wanted; therefore God said that it was good.

2.0 First Spiritual Battle

Why Adam had lost the battle with his enemy? Was he not aware of Satan?

In [Hosea 6:7](#), God says that like Adam, they (Israelites) have broken the covenant; they were unfaithful to me there.

Here God did not mention any note of Eve in the covenant, He had made with Adam; therefore, it is very explicit while naming the creatures, God certainly explained Adam about the differences he had with the co-existing animals' structures. God created man to live eternally on the paradise earth; Adam was known about this fact. God spoke to Adam about the requirements of eternal life on the earth. Obedience to God's commands would establish such a life; any failure to follow God's word brings by default the death; i.e. termination to stay in that state. Adam was made clear

that death would bring termination to his spiritual relationship with God. So, Adam knew that he was in the image of God to produce the likeness of God. Adam committed blunder, following his wife's word, as God had pointed out later in [Genesis 3:17](#).

Today God has taught us the eternity through His Son Jesus Christ. Yes, only Jesus Christ has demonstrated this heavenly mystery through his death and resurrection. When his physical body (outer man) was kept inside the tomb, the inner man (Spiritual body) went to the hell to preach the gospel there ([IInd Peter 3:18, 19](#)). *In fact God's judgment has been always revealed righteously.* Before any creation performed on the earth, God had passed a righteous judgment on those spiritual children (rebellious angels), who gathered under the leadership of an unrighteous person, called Lucifer (also named Satan in the Scripture). The angelic structure is a *single fold system*. These children were worshiping God the father peacefully for many million years (Beyond man's ability to learn God's world). The issue was about their disobedience to God's principles. God's law clearly says that only Jesus Christ is God's glory; rest all are either worshipers or servants of God ([Colossians 1:15-17](#)).

Lucifer wanted to be worshiped by the fellow angels i.e. to be glorified by others; also he had developed desires to lift up his name above God's name and paid interest to place his throne above God's throne. He was leading a virtual life in heavens; as the result, his soul got corrupted with all his wicked thoughts. His precious thought life system (God given image) was damaged; he therefore did not show interest in God's word anymore. **When God pointed out the mistake in Lucifer, Lucifer not only denied the truth but also went against the truth and made lots of allegations against God's righteousness in reading the minds and hearts of His creatures.** Therefore, he became Satan to God and could not produce the likeness of God further i.e. show the love of God to others. Since Satan had spoiled his life, he could offer to others what he has in his treasure, i.e. bad thoughts, lustful desires, enmity with God etc.

We, in the 21st century do not question any manufacturer of CD-ROM/or VCR/VCD about the readability (functionality) of their products to read CDs/or video cassettes; because we have a belief in the technology; *a man made theory is strongly believed by a pleasurable mind*. After all, we the dust of the earth could able to make such reliable products, then God, the manufacturer of the most intelligent systems (humans) would certainly have the knowhow to read our thought life system and its functionalities. The God given spirit in every human examines his/her own thoughts and that's why we realize our mistakes ([Proverbs 20:27](#)). On the other hand, the Spirit of God reads our thoughts directly from the spirit of life in us. God instantly reads our mind and heart through this spiritual process. *It brings now more clarity that God is the only person, who could read other's mind and heart i.e. the spiritual system.* This is possible for Him because He is in trinity form. God the father is seated on the Holy of Holy place (Zion) and Son of God (Jesus Christ) has been seated at the right side of Father God as the King of King i.e. sitting in the right side worship centre and the Holy Spirit, the inner personality of God connects every truthful worshiper to these two lovely persons. What a respectable God we have; Hallelujah, glory to Him in Jesus name. *God could present His personality anywhere and everywhere, that's why He only deserves worship; and that's God's glory.* God could do anything and everything, that's why we must be fearful to Him; and that's God's mighty. However, He is a lovely person; He loves all His creatures, that's why He forgives our mistakes and take us back into His kingdom. Nevertheless, God strictly follows His words and the principles and He has made them as commands to be followed to live as His children; this is where His creatures must watch Him carefully. As God is being independent on His thinking, He wants His creatures also to be independent, provided their thinking fulfills His commands. When a section (1/3rd of angels) of His children in heavens could not comply with His commands, He allowed them to go on their own way; as the result they had chosen a life without God. *A life without God is a life in darkness; because God has light in Him and He (Jesus) is indeed that light.*

The person who had done all the damages in heavens is Lucifer alias Satan. As the replacement to these untruthful worshipers (Satan's followers),

God created two truthful worshipers on a paradise earth (worship centre) and asked them to be truthful and fruitful i.e. spiritual before they could multiply (**Genesis 1:28**). He created them male and female with a characteristic relation. *They were spiritually related to God and physically related to themselves.*

There are two important things God wanted to demonstrate to heavens by these two truthful worshipers.

- A thought life system would be corrupted, if it takes/or generates wrong thoughts and willfully allow them to get processed; as the result of this process, an image would be created other than God's image. It needs a demonstration.
- A corrupted mind and soul becomes an evil source and could no longer be obedient to the principles of God; therefore warrants a judgment.

In plain sense, the eternity is given to a soul for it to have an eternal life. As we have understood that an eternal life means a life in light i.e. a life with God (**John 12:36**). If the principles of God are violated by a soul then it should suffer eternally without God because *God is a righteous person and He cannot stay with an unrighteous person.*

Let us look at the figure 1 for some clarity. Here we see the human as a twofold system. What does it mean to us? God created Adam in His image (Heavenly) but put that image in an earthly system (Physical). Also, God had made this external physical system a conditional system. If Adam wants he could live in this life eternally on the paradise earth otherwise he could select a seasonal life. In the first option Adam had to show compliance with God's word and will fully accept God as his leader. The second choice would make Adam to grow as an independent leader. In both cases, Adam would certainly demonstrate what God wanted him to do. We must understand a point here; God did not make the salvation plan for us after Adam and Eve committed sin. *Before the world was created, God selected all of us in Jesus Christ to be his children (Ephesians 1:4-6).*

In heavens, an angel has been filled with the wisdom and knowledge of God; God's presence makes a person to be holy and righteous. That means Lucifer had committed the blunder knowingly. *Paul clearly says that God lives in an unapproachable light. Also he writes further that Jesus Christ is the image of the invisible God, the first born over all creation (Colossians 1: 15).*

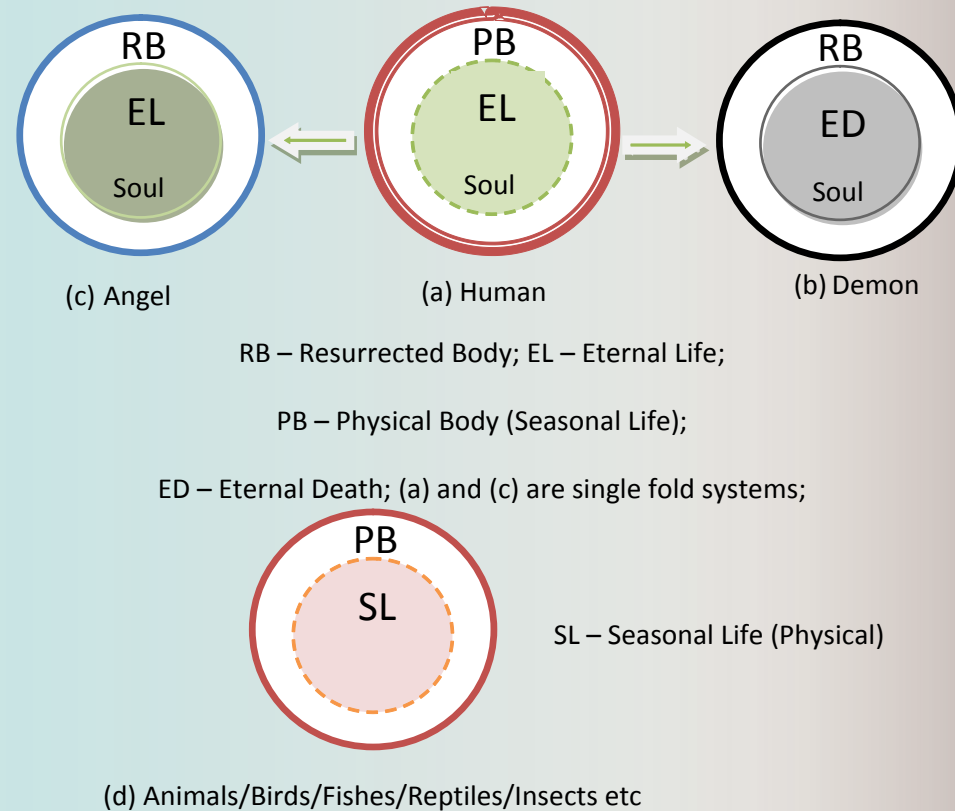

Figure 1: Structure of eternal and seasonal systems

We cannot see God through our naked eyes, being on the earth; but we can feel his holy presence and speak to him. However, in heavens, the angels could see the glory of God; but they cannot read God's thought life system. **God being the creator has kept the secrets as his precious treasures and all his creatures are open to him.** One third of the angels

got confused, when Lucifer raised a question on the authenticity of God's ability to read his creatures' minds. Since the heavenly system is eternal, there was no clue on why and how an eternal system could possibly be corrupted. Therefore, God decided to demonstrate the righteousness on his principles to protect his truthfulness. As the result, the following had to be displayed.

- Why and how an eternal system can be corrupted?
- Who and how an eternal system can be repaired?

In order to practically demonstrate these soul searching questions, God selected earth that was empty. On the empty earth, God started performing his mighty creations. Since God is eternal, humans cannot estimate his timing. God selected two observable systems i.e. creatures. Adam and Eve were the two observable systems. Also, it must be noted that God in his wisdom had designed these observable systems as a twofold system for this purpose (refer to figure 1). God has been forever concerned about his image. He does not like anyone to corrupt it because he cannot share his glory with anyone (*Isaiah 42:8*). In this complete episode, God was patience and made a point clear to the heavens, wait and watch. *Scripture says that God's patience is our salvation (II Peter 3:15)*. This is for the two-fold system; but God's patience made Lucifer to become a Satan because an angel is a single fold system.

If an angel commits a mistake, he directly corrupts the image of God in him. However, if a man commits a mistake, it brings first a physical damage, which will make his thought life system vulnerable to corruption. But the man can still be corrected and set his life right, if the manufacturer (God almighty) receives him for overhauling process; this is exactly the salvation of a sinner. Adam was created to demonstrate this heavenly process, according to God's word. *God expected Adam to show obedience even in the presence of disobedience* (Eve).

What exactly happened in the Eden Garden?

- Adam and Eve were in the eternal physical life and holding inside an eternal spiritual life.

- Satan, an untruthful worshipper of God's word, being a spiritual personality (creature) wanted to corrupt the minds of these two truthful worshippers.
- Satan came down from the heavenly places illegally, violating God's principles.
- Satan had no business on the physical world; when he shifted his business centre, God threw him out of heavens.
- Heavens were watching: 2/3rd of angels on God's side and 1/3rd of angels on Satan's side, waiting for their respected leader to succeed.
- Now, Adam and Eve were to function as God wanted; but they did not know good and bad of Satan. Satan was a good worship leader until he was found guilty (*Ezekiel 28:15*).
- When Eve was disturbed on her mind by Satan, she started thinking in the line of Satan; so God demonstrated here, how Satan could mesmerize the 1/3rd of angels, who were working under his leadership by injecting fascinating thoughts, lies and being proud with virtual feelings.
- After Eve got deceived, it was Adam's turn; multiplication took place after being sinful (disobedience)
- Eve had sinned but did not feel guilty of her state (nudity); she became Satan's cup; indeed it was Satan in Eve form approached Adam and we all know the end result

The above incidents narrate us one thing in common that is that if a creature wants to obey God's word, it can; if it does not like to obey then it goes opposite to God's principle by developing a self induced pleasure. *By demonstrating these experiments God has defined first what sin is. "Disobedience to God's principle is sin"*. It is a violation of righteous act. The cause for disobedience is due to the self induced pleasure or proud or anger etc. Satan developed this martial art and started preaching this art to his fellow angels; whoever followed his words have become disobedient and untruthful to God's word. Thus, no one is obedient by birth on the

earth; because the first parents were disobedient of Godly principle. God has passed the judgment on those, who disobey his word (refer to figure 2).

That's why Jesus Christ, the obedient Son of God has been made as the savior of the souls on the earth and heavens by father God. God planned everything through Jesus and demonstrated to the world of disobedience that his creation is perfect (Colossians 1:16).

In the midst of any disturbance, a human can demonstrate his truthfulness to the principles of God, if he truly loves God. This is the last spiritual battle, every one of us must undertake since Satan will naturally stop us not to go back to our destination. In order to help us, God asked his Son Jesus Christ to demonstrate the height of obedience.

3.0 Last Spiritual Battle

What is the last battle?

The last battle is a spiritual war.

- It is a mind game
- Satan will bring many confusions into our mind on God's word, God's existence, his abilities, support, dependability, authority and his eternity
- Satan will make us to feel powerlessness
- Satan will bring physical sufferings and loss to destroy our faith (Psalms 66:12)

In order to sustain the attacks of Satan, we need to have the following (God's protection):

- Faithful life
- God's word
- Prayerful life

- Holy Spirit anointing and guidance

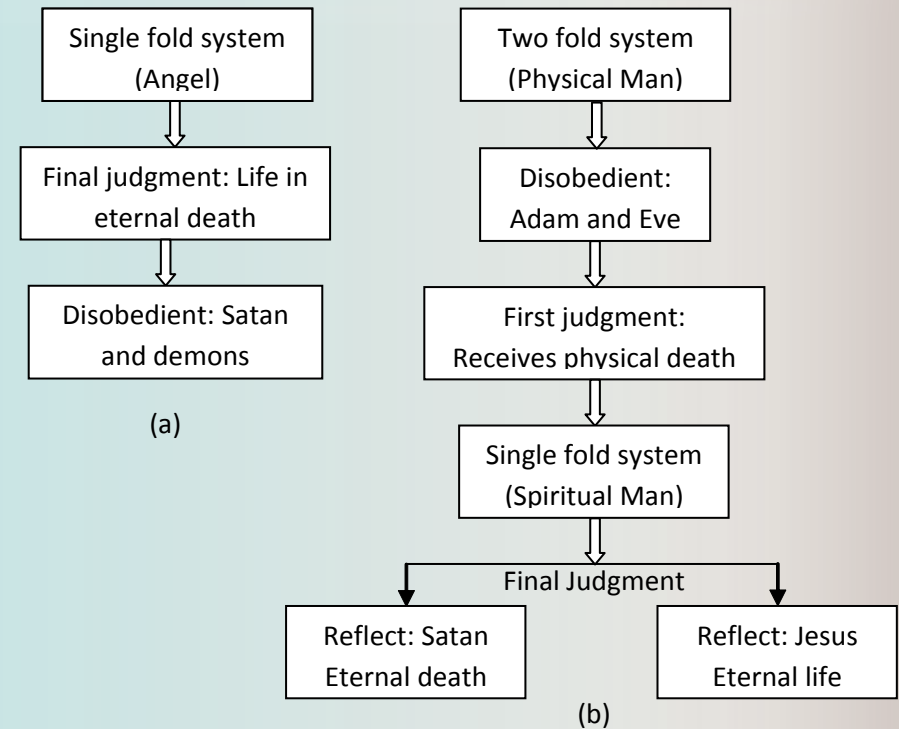

Figure 2: God's judgment

Remember that God has spiritually immunized our system with his words and his spirit. Satan cannot touch our spiritual system, which has been in the image of God. That is the reason why God says that love him with full heart, full mind, full soul and with full strength.

- Inner man (Spiritual system): mind, soul, spirit
- Outer man (Physical system): heart

If we follow God's word, then both inner and outer systems will be protected and can be saved. Figure 3 depicts the spiritual insurance scheme God has prepared for the sinful world to be saved through his own son, Jesus Christ. Those, who accepts God's judgment would pass through his gateway of grace and see the salvation at the end as a reality.

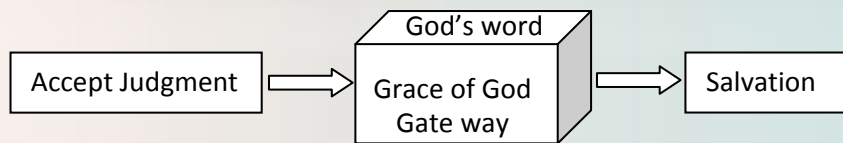

Figure 3: Spiritual insurance scheme

2.1 Repentance and realization

Is the last spiritual battle important?

Winning this battle permanently separates a person from the sinful world.

- During this war game, the person completely realizes God's purpose on his/her life
- At this stage, the believer of light submits his/her freewill for God's will to take control his/her life
- The believer also learns how to lead a spiritual life under the guidance of God's spirit
- The believer puts into practise his/her faith on God's word, covenants, and promises
- He/she build a relationship (Father-Son) with God

3.0 Case Study: Jesus Christ and Peter

In this case study, we examine two believers of God's principles; how they have encountered their last battle. The Scripture says that at the Gethsemane garden, Jesus was pressurized and stressed in his mind by Satan. He earnestly prayed to father God to remove this cup, if God's will was that. The cup teaches lots of lessons to us. The cup when it was filled on the last supper, Jesus said to his disciples that it was filled with his precious blood; those drinks in it would be his inheritance i.e. his children. He said this at

the end of his ministry. Watch it carefully; God in fact filled this cup with Holy Spirit in the beginning at the bank of Jordan River, when the cup was submitted to the heavens for God's mission.

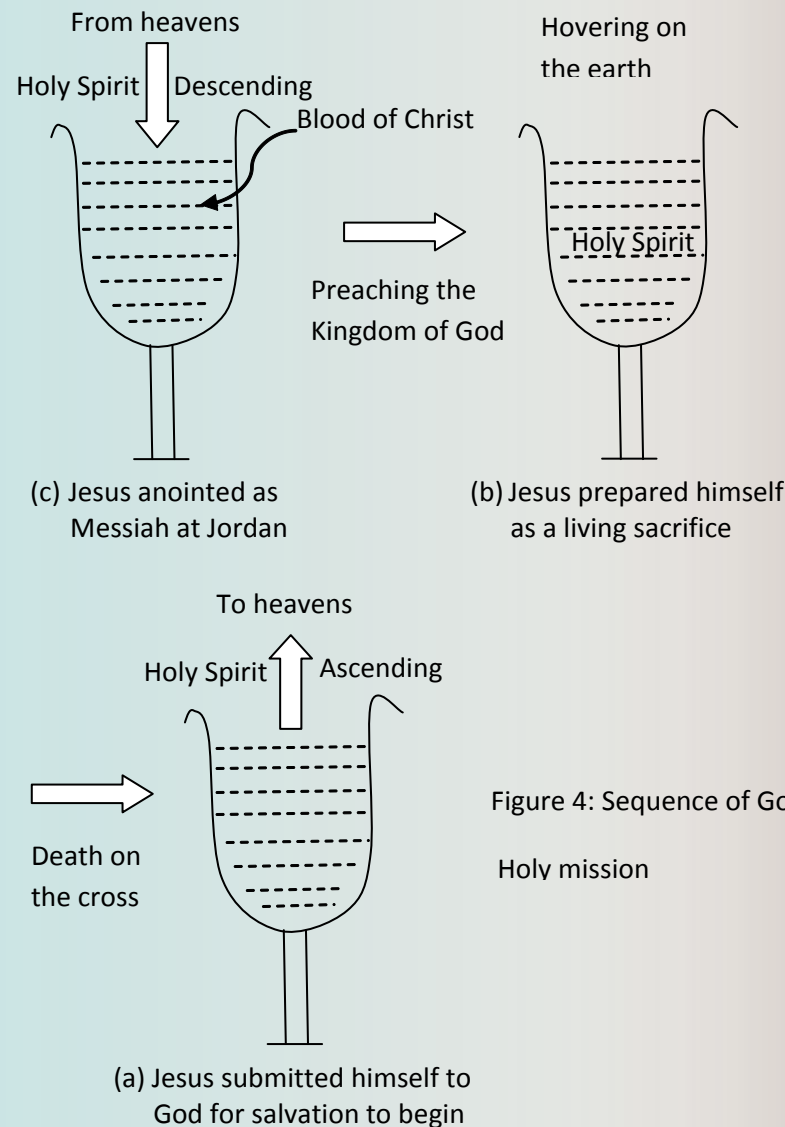

Figure 4: Sequence of God's Holy mission

When the cup gets filled i.e. when we receive the Holy Communion, we become the living sacrifice because Christ blood was filled with Holy Spirit. Purification immediately begins. **Living sacrifice is the state of physical system (body) that is united with God completely.** But God to accept any physical system to be his living sacrifice, it must be prepared through a spiritual process. Salvation is that spiritual process. God prepared His Son's body as the cup to receive the sinners of the world. Satan questioned Jesus, how it could be possible for a single man to receive the sins of the whole world. Indeed Satan was unable to find the logic behind God's plan or simply Satan got confused how he could be defeated eternally by this one man's death.

At this juncture, unlike Eve, Jesus did not tell anything to the tempter explicitly. Eve was explicit in the Garden of Eden; she told Satan what God told Adam.

Remember God did not make any covenant with Eve; she was expected to cooperate with Adam and help him in executing God's mission. That's why Jesus did not make any explicit comment over the cup, which he was talking about. The truth in it only three knew; God the father, Son of God, and Holy Spirit. The truth is that every life (soul and spirit) comes from heavens into a physical body (flesh) through Christ; and if the Christ body is sacrificed in the place of a sinful flesh, God accepts that burnt offering and give the sinner the required forgiveness.

Let us see the sequence of God's plan on salvation (Refer to figure 4). In the third stage, Holy Spirit was not inside this cup, when the sinners of the world were admitted for the purpose of cleansing by the blood of Jesus Christ. Now the cup had to cry unto God, "Father ... Father, why have you forsaken me". Jesus was concerned about this moment of separation from his father. After Jesus got resurrected, the Holy Spirit eternally came upon Jesus to make him as the new life creator. According to God's principle of life creation on the earth, Adam had to speak spiritually to Eve to create a new worshipper for God; no physical relation was needed. Unfortunately, when Adam and Eve became disobedient, the glory of God (Holy Spirit) left their physical systems. As the result, every flesh they could create becomes a disobedient. The soul of a disobedient flesh must be received by

the spiritual father, who must be in flesh ([Hebrew 2:14, 15](#)). As the sins have entered from one body (Adam), it goes to one body that is Christ's. Therefore, Christ submitted his body to be tortured and tormented by the sinful world. Now this cup was sent to the hell, for it to get filled with some more sinners, who were physically judged already (such as Abraham, Isaac, Jacob, etc...). On the third day, God spoke to this cup to get refilled with Holy Spirit (resurrected), to attain its glory.

What's the logic?

- In the beginning, the earth was completely dark; Holy Spirit was hovering over it and spoke for light to come out of him and the light appeared; after that God performed his creation.
- The sinful world represents the state of earth as it was in the beginning (darkness).
- The sinful world also represents our life in darkness (eternal death).
- Holy Spirit spoke to Jesus Christ to come out of the world of darkness (hell) to become the light of the world. Jesus is the light of the world.
- Satan brought eternal death to Adam and Eve; therefore their offspring naturally inherit the eternal death.
- Jesus speaks to such life and receives it; in fact he swallowed all such dead lives and cleaned and made them fruitful in his blood already.
- The innocent blood (sinless) of Christ has eternity in light; so when Holy Spirit spoke to Jesus, this eternity came into existence and God lifted Jesus as his glory to heavens to judge the world.

Those who were born earlier to Christ's birth and after his death, all must go through Jesus.

Jesus won the last battle because he was prayerful and had filled with Holy Spirit when he was on the earth. In contrast, Peter could not follow our

lord in the similar path. In fact at Gethsemane, Jesus asked these disciples (Peter, James, John) to be watchful, awaken and prayerful. But their flesh could not cooperate with their spirit. As the result, two had to run for their physical life and Peter denied Christ. Why? Because they slept and could not see the last battle our savior Jesus was undertaking. If we see the Scripture, these three were indeed fortunate to witness Jesus, when he transformed and displayed himself as God's glory. The same three had an opportunity to learn about the last battle; that is that a man could become as God's glory eternally only after defeating Satan.

4.0 Conclusions

The first spiritual battle by Adam could not be completed as God wanted due to Adam's unfaithfulness on God's word. Adam and Eve were spiritually active before this battle began; unfortunately they became physically active and spiritually dead after the battle got finished. A dead spiritual system needs to be resurrected to function spiritually. Jesus Christ empowers every dead spiritual system to have a new life and the last battle then onwards begins. Satan claims right over every dead spiritual system but God gives us the final authority in Jesus name to defeat our enemy's claim.

God wants truthful worshippers from the earth; unless we demonstrate our trust on God's word, we cannot become the truthful followers of Jesus Christ.

Our Lord Said, "While you have the light believe in the light, that you may become Sons of light," ([John 12:36](#)).

God like to rebuild the truthful image of His Son in us, if we permit God's will to take control of our life.
