From the Editor's desk

Dear Brothers and Sisters, we greet you all in the name of our Lord Christ Jesus; may God the Father bring all the blessings and prosperity in your life this season. We are happy to bring out the third issue of Journal of Christ. Hope, these spiritual information would be helpful to you for learning about our beloved savior Christ Jesus. We thank our God for providing us the wonderful wisdom and knowledge of His plans, so that through these articles, many souls will be touched for His glory in Jesus Christ. In this issue, we have presented a spiritual letter called, '**Spiritual Weapon**', and a full length article titled as, '**True Identity**'. The *spiritual weapon* talks about the state of the humans; explains that they are either in the hands of holy God or their lives are exploited by the devil on this earth. On the other hand, the article, '*True Identity*' brings out the facts about humans' behavioral system due to their own images and the resulting identities of this world. It also emphasizes the importance of rebuilding God's identity in us.

Praise the Lord.

Spiritual Weapon

Humans are God's creation; they are not accidentally evolved from non-speaking animals. Every creature was evolved on this earth as the result of God's wisdom and knowledge, who had conducted all these experiments in order to undertake a greater mission. If we humbly look at God's plan, it becomes very clear that humans (man/women) are created with divine purposes. In this world, we the humans develop various products and grade them as either superior or inferior. In contrast, God has not done such an assessment on us; indeed He has left that job for us to do it. Yes, the behavioral system we build will display our quality; we use words to build our characters, which are the building blocks of our spiritual system (Thinking/Speaking).

Humans are naturally placed, in common to both God and evil; because of the path we have chosen. Even though God is the creator of our lives, actually He has given us the authority to choose either Him or devil, according to our freewill. The decision we make, will direct us to get aligned with either God or devil. The living God is the Holy Spirit and the devil is an unholy spiritual living being. Evil attracts the humans by showing them the God cre-

ated material things in the world, which the devil claims as his properties. Also the devil pours out his evil desires (lustful thoughts) in the minds of the peoples, for them to have such characters of lust. They become weapons in the devil's hand, once get addicted to such a flesh centered life.

On the other hand, the living God has displayed His everlasting love through His Son Jesus Christ by making Him the sacrifice for the disobediences of humans. *Christ Jesus died for our sins and iniquities, which we develop, knowing good and bad by ourselves without God.* **The creator of the universe has declared already His Judgment and rescue plan for the earth.** Every human life (stay on the earth) is justified as righteous only in Christ Jesus; otherwise they will have to leave this world to an unpleasant destination called hell; that is that they will pass away from God's Kingdom. God indeed has asked every one of us to think wisely before taking the final decision. God's invitation is not on compulsion but through submission. God has given all of us the permission (freedom) either to listen to His word or His enemy, the devil. We must realize that the time we have got is very short and truly seasonal. If we do not like to meet face to face our savior Christ Jesus, then we may certainly fail to receive His graceful love, which will set us free from eternal punishment.

God being a righteous person does not create any soul (life) without faith. His faith is that every soul will go back to Him after defeating the devil, who has brought good and evil in human's life. **Humans will understand God's plan, only if they receive His words faithfully.** God's word would help us to reconstruct our faith on Him.

WHY SHOULD WE BECOME A SPIRITUAL WEAPON IN GOD'S HAND?

As it is mentioned earlier, humans are common to both God and His enemy in nature because they have listened to devil's word by rejecting God's word. Either way they can go now; there are no constraints or compulsions they have in this seasonal life. **But their decision today decides their eternal destination.** Soul is an eternal living system, belongs to heaven. The devil and his demons (fallen angels) were thrown out of heavenly places and have no chance of getting back there. On the other hand, for the humans though they have chosen a wrong path, God wants to forgive them so that they will regain the eternal life back through His Son Jesus Christ and live in heavenly places.

Those, who accept this God's plan of salvation (rescue plan), will rebuild the God's image to become a child in the Family of Jesus Christ, in which God the Father is the leader and His Son Christ Jesus is our father; man and woman are the spiritual partners and the children are the spiritual fruit through multiplication; Holy Spirit is the fire wall of this family to provide the safety, security and eternity.

If we do not like to come to God, we are then exploited by the rogues, Satan and his party (demons) for their safety and survival. Yes, every soul (life) is created in the embryo after the lustful desires of two fleshs get satisfied; that's why it takes three months for us to learn about the pregnancy of a woman. Watch carefully our life on the earth. God looks at our life as grass and declares our flesh as the dust of this earth. **Satan has polluted our flesh and has made it a pleasure zone.** But God cleanses the same flesh in His Son's blood to recreate it as His temple, only if we display the required faith on His word.

Every human at the time of birth witnesses the disobedience of the first man and woman. Bible has no record or any information about Adam and Eve whether they cried or not after their creation in the Eden Garden. Then why do we cry? Adam and Eve were created through a spiritual process; but our body (flesh) is formed through a physical process, which is not given by the creator but we have willfully taken it. The path through which a child is coming into the sinful world is narrow; so the mother and child both have to cry; but after learning good and bad in the world, the child's path becomes wider. God says that Lord Jesus Christ is the pathway to heaven. Christ Jesus has entered the heaven through sufferings and sacrifice and set us a narrow path to follow Him. The creator of every life makes it clear that the soul will have to suffer, if it learns good and evil in this world; so the child cries; the mother is expected to remember the path that she had chosen, so she also cries. Unfortunately we have not understood God properly but are multiplied heterogeneously; today we have no clue what so ever about our decision; good and bad, both are part of our life.

As Psalmist says:

Those who repay my good with evil slander me when I pursue what is good (38:20).

Therefore, even if someone wants to pursue good thing, the world of sinners are not ready to spare him. In this circumstance, how come anybody will

make it to heaven?

Eternal life is spiritual and in order to possess it, we need to become the children of the Spiritual God. Simple emotions will not make us fit enough to attain this life. We may cry while hearing about God's sacrifice and His Son's sufferings; also we may pray beautifully; but unless we get into God's hand, He cannot mould our life as He wants. True submission means laying down our old life, which we had exploited and spoiled. Baptism through which, this wonderful process begins. Therefore, those who have taken baptism in the name of God the father, the Son of God and the Holy Spirit have already laid their worldly life and received the Godly life. Unfortunately, the baptized peoples call themselves Christians but behave religiously.

WHAT DOES IT MEAN TO THE WORLD OF SINNERS?

If peoples after baptism continue to do things, what they had done before and live in the same way then they are not aware that they have laid their old life, which had the desires of the sinful world. **If we still believe in the desires of flesh then why should we ask God to share His righteousness?** Every one of us thinks that salvation is a miracle. Certainly not; it is a spiritual process, in which we cooperate continuously and consistently with God to serve Him for completing His works in us. Creation is a divine mission; we are not accidentally there on the earth. God has a definite purpose for you and me; but we may live a purposeless life without God; positively God wants to have us in His life. Those, who will come to the path of salvation, can only understand God and His purpose of creating the humans. Since a life is naturally created in the sinful domain (flesh), apparently needs cleansing (baptism). Therefore, the moment we get immersed into water, God's hand takes control of our life. Old things are removed from us and new things start blossoming in us.

For the LORD shall comfort Zion (anointed): he will comfort all her waste places; and he will make her wilderness like Eden, and her desert like the garden of the LORD; joy and gladness shall be found therein, thanksgiving, and the voice of melody (Isaiah 51:3).

This is wonderful.

A spiritual weapon of God does not aim to destroy the souls but to destroy those, who want to destroy God created souls. When God prepares the baptized children of Christ Jesus as His spiritual weap-

ons, He in fact fills them with His Word and Spirit to empower them to win the spiritual battle with their enemies. **God's Word and Holy Spirit form the new life.** In the beginning there was word and the word was with God and the word was God; and this God is Spirit, who is Holy of Holy ([John 1:1, 2](#)).

SO WHERE IS THE CONFUSION?

If it is in the minds of the believers then God is truthful to reformat their mind and heart. After baptism, God wants us to grow in His Word and Spirit to become a Spiritual Weapon. If we successfully grow in the God's path, every time we can defeat our enemy to glorify our father in heaven; otherwise we get defeated by the desires of the world.

ARE WE IN GOD'S HAND AS HIS SPIRITUAL WEAPON?

When Saul was executing the Churches in the first century, Jesus was watching painfully with great patience all the incidents because Saul was a God chosen vessel to preach the salvation for the gentiles. Did God like or want Paul to commit the sins or wicked things? No, not at all; God wanted Saul to get transformed as Paul. This is a typical case, through which we can learn a good lesson. When Saul was used by Satan, he was a Spiritual Terrorist, witnessing and supporting the sufferings of believers; destroying the unity of the believers; executing the churches etc. But when Jesus met him, his life got changed. Saul understood God through afflictions. Three days he could not see the world in which he was working against the God's will. God did not send **Ananias** immediately to Saul (Acts 9:9). Transformation takes time but not witnessing the truth. Immediately after the baptism, Paul started witnessing Christ Jesus is Lord and Savior. **When Paul became a Spiritual Weapon in the God's hand, the gentiles had received the good news.** Similarly, if we become the Spiritual Weapons in God's hand, our neighbors, friends and relatives will certainly receive the gospel of Jesus Christ.

Amen,

Praise the Lord

Abstract

This article clarifies what is God's identity. It also addresses that the differences in humans are developed as the result of executing evil desires in their life. It explains that the various identities humans have developed cannot build a homogenized society. God's identity has been revealed on the cross through His Son Christ Jesus; which is His unconditional love (grace). God has forgiven already all of us by listening to His Son Jesus Christ. God expects every one of us to accept His Son, so that our life can be saved to build a divine family (Worship Ministry).

1.0 Introduction

When God had created the first man and woman, He gave them an identity; they were called as, "God's Children" and the rulers of the earth. **Genesis 1:28** reads as follows:

And God blessed them, and God said unto them, be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth.

With this identity, the humans had received the authority to rule the earth and its creatures, besides spiritually being blessed. Also, this identity gave them a spiritual power (status) to control their physical system. Indeed, they were one in God.

WHAT HAD EXACTLY HAPPENED TO THEIR IDENTITY?

As bible teaches, when Satan (God's enemy) met Eve separately in the Eden Garden, he seeded the doubtful words into her mind about this identity (**Genesis 3:5**). Since God is spiritual (Holy Spirit), Adam and Eve could feel Him (Holy presence: **Spirit of Fire**) and hear Him (Loving voice: **Word**). When the Son of God had visited the earth, Satan again raised the same identity crisis, trying to put the doubtful words into His mind (**Matthew 4:3-6; Luke 4:3-11**).

HOW COME HUMAN IS A CHILD TO AN INVISIBLE GOD?

When, Eve looked at Satan, he was already in Serpent's body; now Serpent spoke to her, like Adam used to speak with her. So, Eve really got confused and willfully decided to take a look at the fruit, which was excluded in their right to use within the garden. Remember, God Almighty still did not hand over the earth to her husband; before that God almighty wanted to measure their obedience. Faith on God's word gave them the spiritual identity (authority to rule); which they had lost once they violated God's law. Therefore, losing the spiritual identity means that attaining a state of non-compliance of God's principles. Until Adam and Eve followed God, there was no crisis occurred about their identity. But the moment they had accepted God's enemy in their life, Adam blamed Eve and God, for his failure and Eve pointed her finger at the Serpent for her misdoing. Satan was the crisis manager in heavens; and the first family on the earth had received him in their life, granting him the full accessibility to their thought life system ([Soul+Spirit](#)), which is the image of God.

Dear brothers and sisters please remember a point at this stage; Satan had brought a crisis between the husband and wife in the Garden of Eden and still it continues even after 6000 years of humans' creation. What a powerful crisis manager he is. When God understood Satan's plan of building a rebellious kingdom on the earth using the humans by destroying the paradise earth, He wanted to settle the issue righteously with Satan through His Son Christ Jesus once for all to solve the identity crisis of the humans ([Genesis 3:15](#)). God created earth as the paradise i.e. the worship centre and humans as the building blocks of that worship centre (Kingdom of God). Today, we the humans are working against the God's plan and naturally get aligned with God's enemy. However, God meets every day the people to declare His plan; good news about the Kingdom of God and He explains His righteous position. Those who hear His voice are saved in His Holy Spirit to eternally live in His Kingdom.

2.0 Identity Crisis

In the past 6000 years, humans have created lots of identities.

- Continental identity
- National identity

- Regional identity
- Language identity
- Communal identity
- Religious identity
- Color or racial identity

And so on. In all these identities, we can see one thing in common; these identities are physical centered and are brought by Satan in humans' life.

WHY?

When God created a spiritual identity in humans, though it was invisible, the man and woman could feel that identity and practice it truthfully. On the other hand, whatever the identities, we the humans have created even though could be seen through our naked eyes, we are not able to practice them peacefully; because they bring differences in the societies and not the expected unity among the peoples. For example, today we witness one community fights with the other; one region or country wages war against the other; we can go on listing out such numerous things happening on the earth.

Humans are mostly trying to identify themselves without God by creating their own personality.

However, the identity in God gives humans a stable life on the earth and guarantees an eternal life in heavens and a place in the Kingdom of God. Praise is unto our Father God. In contrast, every human made identity is basically destructive in nature as these identities have emerged due to the advices of an unfaithful person (Satan).

3.0 Origin of Identity

When God creates a life (Child) on the earth, the child will have only His spiritual identity and its parental outlook. That's why Jesus Christ said: [Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven](#) ([Matthew 19:14](#)).

He further advised the elders to become like children in order to enter the heaven. Therefore, it is explicit that when the child starts growing, the God given spiritual identity slowly gets into trouble due to observation i.e. learning good and bad.

Observation brings crisis into the creation.

In the beginning, when God was creating the lives of different species (animals, reptiles, birds, fishes etc) and humans on the earth, heavens were observing (God's angels), including Satan and his demons. Please remember, Satan is just an observer, not our creator. But today we give this dirty fellow the entire honor, knowingly or unknowingly. Satan has interpreted God's word to his advantage and had brought the identity crisis in our lives.

Now the serpent was more cunning than any beast of the field which the LORD God had made. And he said to the woman, "Has God indeed said, 'You shall not eat of every tree of the garden'?"

(Genesis 3:1)

It is not that creation itself has got any crisis but only the observation has brought such instability into our mind and its thinking. Therefore, the growth of a child slowly builds up an identity crisis not its birth. The flesh is formed by a father and a mother to which, the heavenly father awards a life (Soul+Spirit). The soul gives an identity to the spirit. That's why humans are different from other creatures on the earth. Let us understand that God does not participate in our flesh formation. The first man's physical system was formed by God Almighty out of the dust of earth. Then He formed the Eve's body out of Adam's flesh through a process something similar to the cloning. Further, He blessed these two humans to multiply on the earth. Since God created the relation between the man (husband) and woman (wife), He awards life to their off-spring, irrespective of their obedient or disobedient nature; but has declared His righteous judgment on their acts (Ecclesia 12: 13, 14).

The child gets,

- ✓ Physical identity,
- ✓ Spiritual identity.

The physical identity has been visually seen and we the humans as parents are happy about it. However, since the spiritual identity is not seen, we are so ignorant of this important feature. The **thought life system is our spiritual identity**.

We are created in the image of God to produce His likeness.

But our growth on this sinful world through ob-

servation corrupts our thoughts and damages the thinking process; as the result we have a corruptive thinking, filthy words, false belief, hatred speech, ugly senses etc.

God is love but we are unable to love this loving person; we naturally go behind the lustful world to enjoy the seasonal pleasures. What a pity state we have reached today. It is God's grace, which accommodates our disobediences and not our loyalty to Him. Our faith on His word (Voice) makes us eligible to receive His grace and mercy.

When our physical system grows without God's guidance, it automatically loses God's identity (Spiritual).

Almost we live like animals on the earth; that's why most of us believe that possibly we might have come from them. In fact, the child gets lot of troubles and unable to cope up with the heterogeneous thinking models, developed by humans in this world. Thanks to the media; today Satan has streamlined the art of corrupting the God given image i.e. human thought life system to spoil our children's thinking through visual media (cartoons, films, video games, software etc).

St. Paul writes in **Corinthians 4:5** that **He (God) will bring to light what is hidden in darkness and expose the motives of men's hearts. At that time each (human) will receive his praise from God.** Therefore, no one can escape from God's judgment. Whether we believe or not, certainly humans are God's creation and will be subjected to judgment, according to our deeds.

This judgment examines the likeness of our thought life system to find a place either in heavens or in hell for further training to live eternally on the new earth (Paradise) or hell (Outer darkness).

The Son of God lives in heavens and He has offered the eternal life to every one of us; if we deny Him, His righteous place in our life, Christ Jesus cannot train us, so that we could make it to heaven; then as the defaulters (sinners) we pass away from heaven to reach the hell (another galaxy), where our enemy Satan lives. Remember that the sacrificial death of Christ Jesus on the cross will give us a free admission in God's revised plan, known as 'Salvation' to rectify the problems introduced in our life due to the interference of Satan.

In Christ Jesus we have redemption through his

blood, even the forgiveness of sins (Colossians 1:14)

Change in approach only can bring change in attitude.

Cursing, fatal diseases, failures, sins are the products of crisis, Satan introduced in the Eve's mind; instead of fruitfulness to multiply, only crisis has multiplied. The approach adopted by the first family to reject the God created life had brought them to a disastrous state i.e. life without God. We the off-springs of this family have got an alternate plan from God, the creator of all lives. Therefore, we have to only change our approach.

4.0 Does God let us down?

No, certainly not. After 2000 years of humans' creation, when God saw their life, it was sinful and wicked (Genesis 6:5). Indeed God personally felt for keeping His spirit inside the humans' hearts.

And the LORD said my spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years (Genesis 6:3).

Therefore, He decided to enforce the judgment on every flesh; but a righteous man called Noah had found the favor in the eyes of God. Today we the off-springs of Noah are not much different from those, who lived in his time. Certainly God's judgment is inevitable. Noah was righteous because he followed God's commands; bible says that Noah walked with God. God saved Noah and his family because Noah believed God's word and through faith Noah had found God's grace and mercy not only for him but also for his family members. After 4000 years of humans' disobedience, God could demonstrate to the devil, the power of obedience. Yes, Christ Jesus displayed the great amount of patience and obedience to cast down Satan to destroy the works of the devil in flesh. Satan before spoiling humans had polluted the 1/3rd of angels' minds in heaven and they became demons. They are called fallen angels; after that he tries to stop every soul of human not to become the seed of heavens.

Noah listened to God's word; thus saved his life and the lives of his family members by receiving God's grace. But, in the new world, the same Noah also had brought the cursing into his third son's life (Ham) because of his desire to drink (Genesis 9:20,

21). When the fellow men and women spent time in eating and drinking, Noah indeed was spending his time with God; the fellowship with God protected him from the devil. Noah had no vision to understand God's plan beyond the declared judgment; possibly God might have planned to talk to him about it after the judgment would come to pass, which Noah simply ignored. On the other hand, the Son of God, Jesus not only taken our judgment and also has made God's rescue plan clear to the sinful world. Christ Jesus took out all the sins and cursing from our lives and nailed them on the cross; so that we are free to hold on our faith in God's word (Romans 8:1-3). Also He has made available the God's grace to those, who by their very nature do not follow God's law. Noah identified himself as the man of God; but our savior Christ Jesus has been identified by God, the creator as the Son of God.

5.0 How do we like to identify ourselves in the world?

If everyone is given a chance to live in heavens, then there is no need for judgment and the death of Christ was not necessary. God's judgment ensures the following:

- ❖ Every life (soul) that is created on the earth must live eternally either in peace or eternally in suffering
- ❖ Every soul is awarded an seasonal stay on the earth to learn about eternity
- ❖ Every soul is eligible to receive God's grace and mercy, so that it will return to the creator

Indeed, God does not like to punish any life; because He is the blessed personality.

If God wants to forgive us, why should we think we do not need it?

Think carefully. We are in the battle ground; but we should not fight with God because He is in fact fighting with our enemy for our salvation (protection). Many in the world do not understand that they have to win a spiritual war in order to make it to heaven. Some may believe that Christ Jesus has already done it for them. Let's see what our Lord has done for us.

- ✓ Jesus has sacrificed His life as the ransom gift to make us eligible to receive God's forgiveness; so that we will not be punished for our misdoings eternally

- ✓ His blood is the sacrificial offer for every sinner to have peace with Father God
- ✓ He has displayed the required obedience to God's laws and showed the complete faithfulness on God's word; that is His death would bring the remission for our sins and God resurrected Jesus in external life seeing his faith
- ✓ Jesus has made an eternal covenant on behalf of us with Father God that whoever believes Him as the Son of God shall be given a place where He is living eternally
- ✓ He has also removed the temporary stay in hell before the final judgment for those who accept Him as their father and permitted them directly to come to heavenly places
- ✓ He has received permission from Father God to anoint His children for spiritual cleaning to produce God's likeness
- ✓ In His name all the righteous things are given as blessing

All these things are good, correct and our Lord is truthful. He has been fulfilling all the promises He has given to us since His resurrection and they are now realities. Then what is the problem?

If everything is done by God and His Son on behalf of us, then the moment we accept Jesus as Christ and truthfully repent for our mistakes, we all will be given a grand welcome party in the heaven. Salvation is a process, in which we are the junior partners to God and His Son, who work with us intimately through His Holy Spirit to defeat the works of the devil in our intimate life.

Give thanks to the Father who has qualified us to be partakers of the inheritance of the saints in the light. He has delivered us from the power of darkness and conveyed us into the kingdom of the Son of His love. (**Colossians 1:12, 13**)

God's grace will bring us into His kingdom from the world of darkness; God's mercy then starts working in us to reinstate God's righteousness.

6.0 What does God's righteousness can do for us?

God's righteousness will help us to be truthful to God's laws; so that our life will display the required faithfulness on God's word. This is possible

only if our spirit of life is made holy. By our very nature and through observation, every one of us has spoiled our thought life and could produce only corrupted thoughts.

Therefore, **God awards His Holy Spirit to every one of us to have righteousness.**

So that we think righteously in order to produce God's likeness. God's word and His Holy Spirit presence will give us the heavenly atmosphere, in which we demonstrate our faithfulness to God and display that we are His truthful children. By this way, God wants to clean and train our spiritual system. We need to do it with our free will and not compulsorily. Therefore, no one should worry about conversion; because conversion is compulsion; what is required is transformation from the polluted sinful environment to the spiritual holiness. Christ Jesus has made this way possible from the earth; the world where we live is currently polluted with evil desires; without Christ we do nothing good; so let us put our faith on Christ, because He is the way to heaven for us to receive a wonderful life. Jesus Christ through His resurrected life has already demonstrated that God is truthful to give us that wonderful eternal life. Now it is our responsibility to identify ourselves with this truth.

The truth is that we are the eternal spiritual system.

We have two options to choose our destination; either to have rest or unrest. The Son of God is now Holy Spirit; if we accept Christ Jesus as our father then He gives us His Spirit for us so that we become like Him (**Romans 8:10**).

In **John 17:2, 3**, Jesus prays: *For you (Father God) granted him (Son) authority over all people that he (Son) might give eternal life to all those (who believe Jesus as Son of God) you have given him. Now this is eternal life; that they may know you, the only true God, and Jesus Christ, whom you have sent.*

The above verses clear our basic doubt on eternal life; that is about true God and His son Christ Jesus, who will give us that life in light. Learning is a process; therefore no one either can become eligible to live in heaven or to be thrown out into hell on a day. **To become righteous, we should start a life on the earth with Christ Jesus; otherwise we will lead a wicked life because righteousness comes from God.** We who live on the earth only can repent for our mistakes and cannot justify our deeds. Therefore, we need to identify ourselves with God's right-

teousness by showing our faith on His truthfulness.

God's principles are made in heaven and His covenants are placed on faithfulness. He never changes and has no need to change His principles.

A life without God's Spirit is unholy and gradually becomes evil.

7.0 How does God given soul become evil?

The humans receive their life (soul) from God at the time of their birth. When the flesh of a child is formed, God will bless it with an eternal spiritual life. That's the reason why God accepts the soul of a child, if its spiritual life is terminated from the flesh before knowing good and evil. Family background is immaterial. However, if the child grows, either it reflects God's likeness using the God's image (Soul) or destroy the God given life by developing evil desires.

Wickedness removes Godliness from us.

We are not born wicked but made unrighteous. That's why God has given us the salvation plan to make us righteous through His Son Christ Jesus. Observation brings Knowledge (Information) but takes us away from God due to our own thinking on the observed things/ objects. God declares that our thinking naturally is not His thinking. Therefore, a thought developed without any principle of God will not be justified. Every day we develop so many thoughts without God's guidance. To put it in simple words, our thoughts cannot rebuild God's image; only God's thoughts will help us to do it.

God's words are His thoughts.

Satan, using his demons has spoiled many humans (majority) on the earth; thus many stories have been written over the years. And today they are easily accessible to humans' minds. Knowingly or unknowingly since our childhood days, we read, watch or hear them and indeed they influence our thought life system. Father, mother, sisters/brothers and relatives/natives are the sources of information to our mind. Once the mind is trained (~ 6 years), it likes to stay in the same state and taste. As a result, revelation becomes an absolute requirement to come out of such state/taste.

World's Information is all about seasonal things but God's revelation will help us to learn about eternity.

God has revealed His love through Jesus Christ to

the world for us know that we are His children. Unfortunately, we learn bad things first through God's enemy and reject a good God, Christ Jesus.

Since God is love and He is the father of our life, He wants to forgive our mistakes instantly and likes to teach us good things.

Goodness is Godly.

8.0 Conclusion

One can identify himself/ or herself with the world; it has got many identities. These identities can bring us seasonal pleasures, happiness and advantages; but cannot give us peace and eternal happiness and joy. If we identify ourselves with Christ Jesus, He ensures eternal life by offering God's righteousness to us during our seasonal stay, in which we may be tested or troubled by our enemy, the devil. But if we stay with Christ Jesus, God accepts us as righteous.

Righteous people will inherit the earth.

What is your identity and in whom you have that identity?

Make Christ Jesus your identity. There are only two identities God will find in us.

- ✓ Righteous (Holy)
- ✗ Wicked (Unholy)

Those who have selected Christ Jesus as their savior are made righteous in His blood and are cleansed in His Spirit. The rest are unholy because they reject the free offer (grace) made by God on their freewill.

Let all the glory to our Lord and Savior Jesus Christ.
